Subject: RE: Planning App Consultation for P/24/0122

Afternoon,

I have been and had a look at this site, there are no trees of significant value and the management proposed is sensible so I would have no objections.

As the site is quite large would you please make a note on the file that the proposed works may go ahead ONLY, as I don't think a open ended permission across the entire site would be appropriate.

Thanks
Andrew
