Dear Chris Betteridge

RE: Discharge of conditions 3 and 4 of planning permission P/25/0256

I write regarding the above-mentioned application seeking discharge of conditions 3 and 4 of planning permission P/25/0256 relating to the provision of cycle stands and the provision of biodiversity enhancement.

The proposals for the provision of cycle stands required by condition 3 are acceptable and to achieve full compliance with the condition they must be in place and available for use prior to the opening of the store.

The proposals for the biodiversity enhancement as submitted and subsequently added to in subsequent submissions are in the totality of information provided and amended considered acceptable, again, compliance with the condition they must be in place and available for use prior to the opening of the store.

I trust the above is acceptable and should you need to discuss either matter further please do not hesitate to contact me.

Yours sincerely

G. Davies
