Dear Sir Madam,

Planning Application – Provision of 36 camping pods and 5 chalets, Bike Park Wales, Gethin Woodland Centre, Abercanaid

Thank you for your letter of 11 November 2019 inviting our comments on the additional information submitted for the above planning application.

Advice

An Archaeological Desk-based Assessment and ASIDOHL2 prepared by Black Mountain Archaeology has been submitted in support of this application. This work has considered the impact of the proposed development of the settings of the scheduled monuments and the registered historic landscape. It has concluded that the proposed development will not have any impact on the setting of any scheduled monument and that there will only be a slight impact on the registered historic landscape.

We concur with these conclusions.

Yours sincerely,

Denise Harris
