Dear Madam,

Re: Proposed Toilet Extension at High Street, Chapel.

We are instructed by the client to make modifications to the consented layout to construct a cleaner store within the footprint of the existing (to be demolished) building.

We submit amended drawings in support of the changes which we trust can be carried out as minor nonmaterial amendments. Effected area marked in yellow.

Drwg. No. 02B – Survey Ground Floor Plan.
Drwg. No. 03C – Survey, North, South, East & west Elevations to Toilet Block.
Drwg. No. 05J – Ground Floor Plan Proposed.
Drwg. No. 06J – North Elevation, South Elevation Proposed.
Drwg. No. 07C – east Elevation, West Elevation Proposed.
Drwg. No. 09F – Section BB, Pitched Roof Proposed.

We look forward to your comments and approval.

We are on site and have commenced the contract works.

Yours truly,

Philip Griffiths.
