1 INTRODUCTION

1.1 Document Context

- 1.1.1 This Travel Plan (TP) is prepared by RGP with consideration to development proposals at the Merthyr Tydfil Premier Inn, Duffryn Road, Pentrebach, Merthyr Tydfil, CF48 4BB.
- 1.1.2 This TP is prepared following extensive engagement with Merthyr Tydfil County Borough Council (MTCBC) with regards to the highways and transport impacts of the development proposals.

1.2 Development Proposals

- 1.2.1 The development proposals comprise an extension to the existing Merthyr Tydfil Premier Inn hotel to total 75 bedrooms post-development – the operation of the Table Table associated branded restaurant would continue as existing.
- 1.2.2 The car park would continue to operate for the shared use of the hotel and associated branded restaurant. The associated peak parking demands for the two land uses are nonconcurrent, with hotel guest demand greatest overnight and restaurant diner demand greatest at and around mealtimes, facilitating its shared use.

1.3 Whitbread and Travel Planning

- 1.3.1 Whitbread operate over 800 Premier Inn hotels across the United Kingdom and are therefore aware of the need to manage the highways and transport impacts of existing, extension and new build hotels, with Whitbread heightening the importance of Travel Planning across their operations.
- 1.3.2 In developing Travel Planning across their operations, Whitbread aim for staff, guests and diners to think about their travel choices, to realise there are realistic and viable alternatives to the private car, which should result in greater travel by active (walking and cycling) and sustainable (public transport) travel modes.
- 1.3.3 Realising staff, guest and diner travel by active and sustainable travel modes will ensure compliance with the Whitbread 'Force for Good' initiative which commits Whitbread to acting and operating in a manner that has due regard to its team members, customers and communities and the planet.

Figure 1 Force for Good Infographic

- 1.3.4 In developing Travel Planning across their operations, it will put Whitbread on course to achieve their science-based carbon target "to reduce carbon emissions intensity by 50% by 2025 and as much as 88% by 2050."

1.4 Overarching Aim

- 1.4.1 The overarching Aim of this Travel Plan is to:

Promote active (walking and cycling) and sustainable (public transport) travel modes to staff, guests and diners as far as is reasonably practicable.

- 1.4.2 It is anticipated the overarching Aim would reduce reliance upon the private car for all users of the site, and in turn, decrease the overall parking demand.

2 TRAVEL PLAN MANAGEMENT

2.1 Travel Plan Coordinator

- 2.1.1 A Travel Plan Coordinator (TPC) will be appointed. The TPC Role is defined within the Job Description of the Hotel Manager and therefore is a 'Standard' Role, as such, Whitbread can ensure that training is provided to the TPC and ensure that the TPC has sufficient resources available to them to fully implement the Travel Plan. RGP can hold Travel Plan 'Introduction' and 'Training Seminars' with TPC as required.
- 2.1.2 The TPC will take ownership of the Travel Plan and be responsible for raising awareness of its Aims, Objectives and Targets and promotion of the Measures it contains. The TPC will be responsible for the monitoring of the Targets of the Travel Plan and evaluation of Travel Plan Surveys undertaken throughout the life of the Travel Plan.
- 2.1.3 The responsibilities of the TPC will be, although not exclusively, as follows:
- Acting as a point of contact for all staff, guests and visitors requiring travel information.
 - Overseeing the site and implementation of the document and the Measures it includes.
 - Developing promotional marketing and awareness raising materials in order to facilitate organised promotions.
 - Undertaking monitoring of the Travel Plan, including designing and undertaking Travel Surveys and preparing a Monitoring Report.
 - Liaising with all interested parties, stakeholders, management, local public transport operators etc. in the delivery of the Travel Plan; and
 - Working closely with the local authority Sustainable Travel Team to ensure the Travel Plan remains consistent with wider sustainable travel initiatives.
- 2.1.4 The point of contact responsible for Travel Planning at Whitbread:
- Niall Hyslop – New Openings Manager (Premier Inn & Restaurants).
 - Email - Niall.Hyslop@whitbread.com.
- 2.1.5 The TPC contact details will be provided following their appointment:
- Hotel Manager – Premier Inn Holyhead.
 - Email – To be Confirmed.
- 2.1.6 RGP will prepare bespoke Travel Plan documents which will be provided to the TPC as part of the handover process to include 'Display Screen Information' and 'Team Room Information'.

3 BASELINE CONDITIONS

3.1 Walk

- 3.1.1 Table 4.1 (Typical Distance Range for Each Mode of Active Travel) of The Welsh Government 'Active Travel Guidance' (2021) confirms many walkers would travel up to two miles for utility journeys. Application of a two-mile walk catchment is illustrated in the figure below.

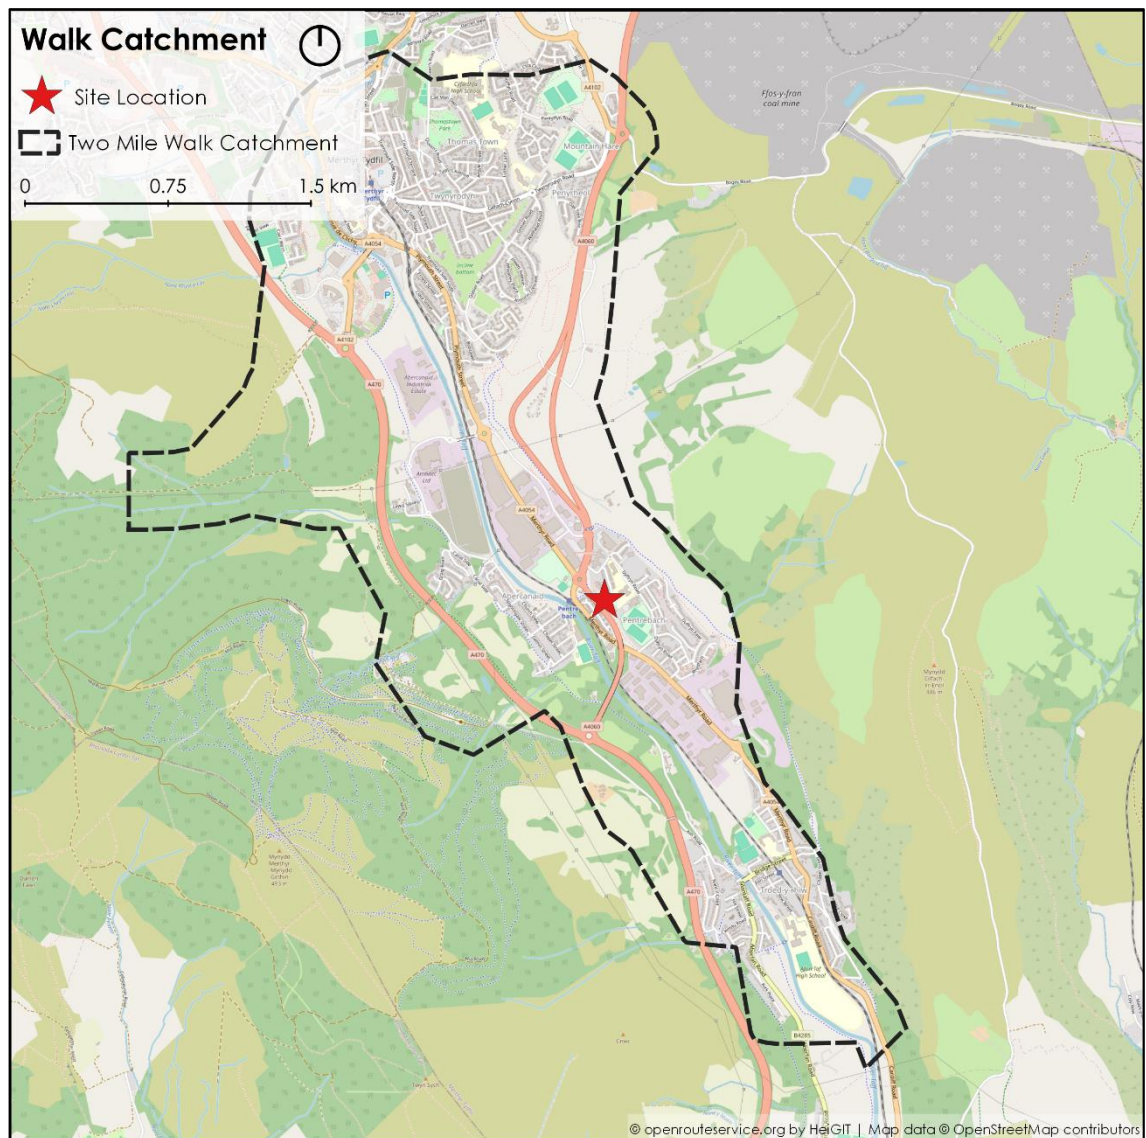

Figure 2 Walk Catchment

- 3.1.2 Application of a two-mile walk catchment demonstrates that local public transport stops and stations are accessible on foot. It is illustrated the town centre of Merthyr Tydfil would also be accessible on foot.
- 3.1.3 It is considered some staff could live within the above walk catchment, given Whitbread aim to recruit staff through local job centres, and therefore, would reside within the above catchment.

3.2 Bicycle

3.2.1 Table 4.1 (Typical Distance Range for Each Mode of Active Travel) of The Welsh Government 'Active Travel Guidance' (2021) confirms many cyclists could travel up to five miles for utility journeys. Application of a five-mile cycle catchment is illustrated in the figure below.

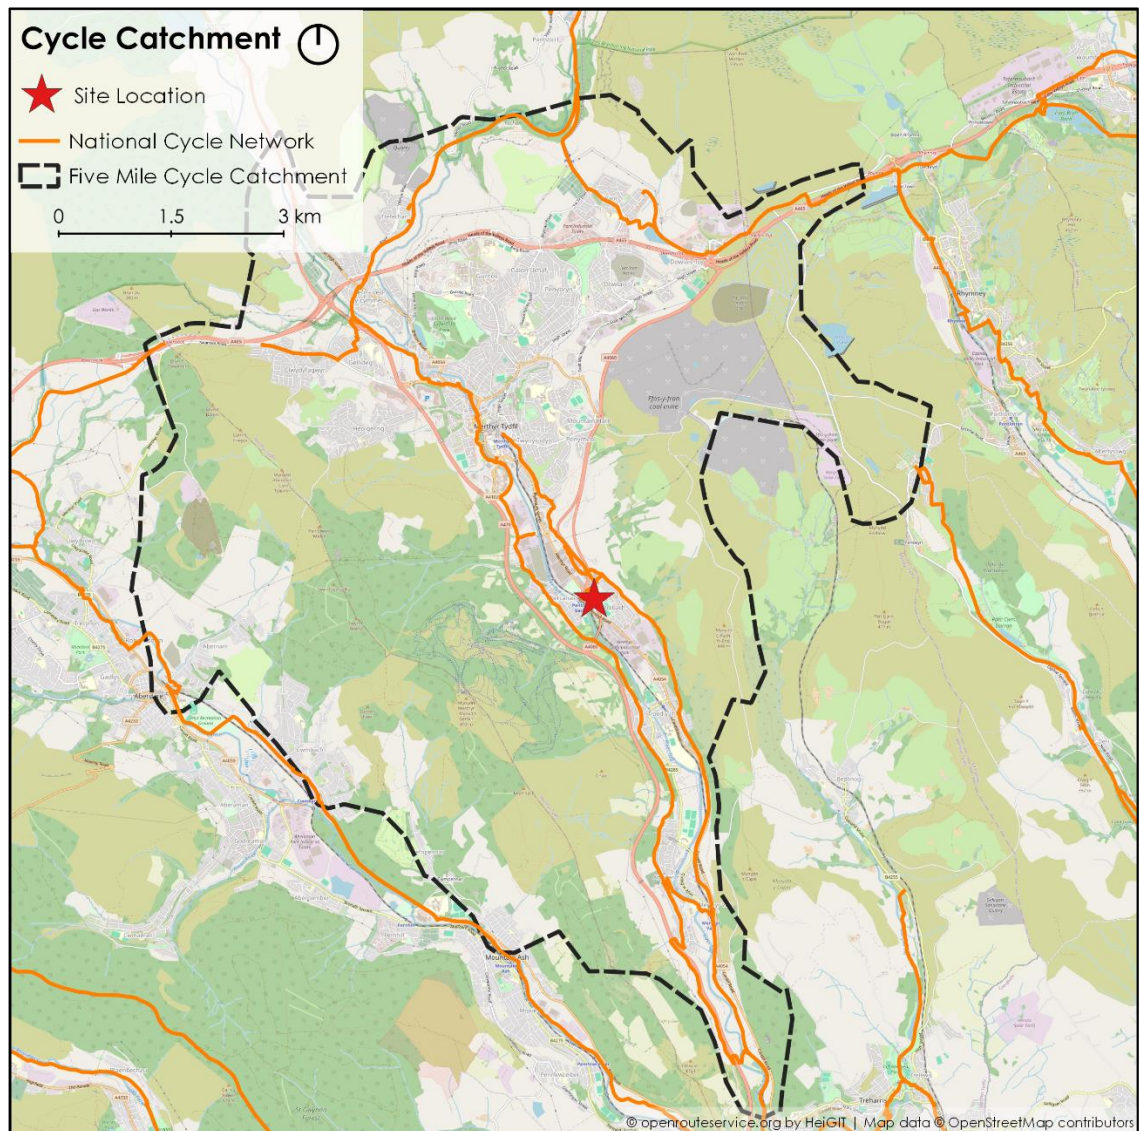

Figure 3 Cycle Catchment

3.2.2 Application of a five-mile cycle catchment demonstrates that Merthyr Tydfil to the north and Aberfan to the south would be accessible by bicycle. It is illustrated Merthyr Tydfil is located on National Cycle Network Routes:

- 8 – Cardiff to Holyhead.
- 477 – Trevithick Trail.

3.2.3 Merthyr Tydfil is additionally located close to Routes:

- 46 – Bromsgrove to Neath.

- 476 – Three Parks Trail.
- 478 – Abercynon to Penderyn.

3.2.4 Further information on the above routes can be found at:

- <https://www.sustrans.org.uk/>.

3.2.5 It should be noted Whitbread operate 'Cycle Friendly' hotels, and therefore, travel to and from the site by bicycle could be attractive to guests. Guests are permitted to store their bicycle in dedicated stores, or in their rooms, should they wish.

3.2.6 As confirmed above, Whitbread aim to recruit staff through local job centres, and therefore, would reside within a five-mile radius of the site – in light of this, it is considered some staff could commute by bicycle, with cycle parking provided on-site.

3.3 Bus

3.3.1 The closest bus stops are located to the immediate front of the site. The stops are served by route 81, to comprise:

- Bryngolau - Merthyr Tydfil.

3.3.2 The 81 operates Monday to Saturday, only. Timetable information is attached hereto at **Appendix A** for reference.

3.3.3 Additional services can be boarded on Merthyr Road. The stops are located at an approximate five-minute walk from the site. The stops are served by Stagecoach and Traws Cymru services, to comprise routes:

- 78 – Merthyr Tydfil – Pontypridd.
- 79 – Bedlinog - Merthyr Tydfil.
- T4 – Cardiff – Newton.
- T14 – Brecon – Hereford.

3.3.4 Timetable information for the above routes are attached hereto at **Appendix B** for reference.

3.3.5 It is considered the stops could provide opportunities for staff travel to and from the site as part of their commute and for guest travel to and from the site as part of their arrival / departure from the site or their in-stay travel.

3.3.6 Further information on the services can be found at:

- <https://www.stagecoachbus.com/>.
- <https://traws.cymru/en>.

3.4 Rail

3.4.1 The closest rail station is Pentre-Bach. The station is located at an approximate six-minute walk from the site. The station is served by Transport for Wales services, only, to comprise routes to:

- Cardiff Central.
- Merthyr Tydfil.

3.4.2 It is considered the station could provide opportunities for staff travel to and from the site as part of their commute and for guest travel to and from the site as part of their arrival / departure from the site or their in-stay travel.

3.4.3 Further information on the station can be found at:

- <https://www.nationalrail.co.uk/stations/pentre-bach/>.

3.5 Road

3.5.1 The site is located off the A4060. The A4060 is located off the A470. The A470 connects Cardiff to the south and Llandudno to the north. The A470 is located off the M4. The M4 connects Chiswick to Pont Abraham.

3.6 Summary

3.6.1 As summarised above, it is considered there are opportunities for guest and staff travel to and from the site to be completed by active and sustainable travel modes. Such travel is often cheaper, and in some cases, more convenient than the private car.

4 AIM, OBJECTIVES AND TARGETS

4.1 Aim

4.1.1 The overarching Aim of this Travel Plan is to:

Promote active (walking and cycling) and sustainable (public transport) travel modes to staff, guests and diners as far as is reasonably practicable.

4.1.2 It is anticipated the overarching Aim would reduce reliance upon the private car for all users of the site, and in turn, decrease the overall parking demand.

4.2 Objectives

4.2.1 To achieve its overarching Aim, the Objectives of this Travel Plan are to:

Increase staff, guest and diner awareness of the availability and advantages of active and sustainable travel modes.

Introduce a package of measures to facilitate active and sustainable travel.

4.3 Targets

4.3.1 In consideration of the Aim and Objectives of this Travel Plan, the Targets of this Travel Plan are to:

Increase the proportion of staff who travel to work by active and sustainable travel modes by 5% over the five-year life of the Travel Plan

Increase the proportion of guests who travel to the hotel by active and sustainable travel modes by 5% over the five-year life of the Travel Plan

4.3.2 Targets will be reviewed on the first, third and fifth anniversary of the implementation of the Travel Plan.

5 MEASURES

5.1 Context

- 5.1.1 The Travel Plan initiatives as below will be provided and be subject to ongoing monitoring and review in terms of uptake and success.

5.2 Whitbread Corporate Initiatives

- 5.2.1 The following measures would be delivered at the site to support realisation of the Travel Plan targets:

- Whitbread recruit staff through local job centres and therefore staff reside within a five-mile radius of their place of work, meaning that sustainable modes of travel offer realistic travel choices to the private car for staff;
- The Premier Inn website and phone application provide sustainable transport information to enable guests to plan their journey in advance and / or consider available travel choices prior to booking, with 97% of guests booking their stays direct; and
- Employees benefit from access to a staff voucher scheme against which a 7% discount can be obtained at Halfords to purchase bicycles / cycle equipment, thereby encouraging their use.

5.3 Site Infrastructure

- 5.3.1 The following measures could be delivered at the site to support realisation of the Travel Plan targets:

- Premier Inn hotels typically benefit from being co-located with an on-site breakfast room or restaurant, catering for guest breakfasts or evening meals respectively, reducing the need to travel off site;
- Most Premier Inn hotels benefit from level access to the reception area and specially adapted rooms allowing easier access for customers with disabilities. However, where required, access ramps, dropped kerbs and tactile paving will be provided;
- All Premier Inn hotels are bike friendly. Clean bikes with dirt-free tyres are allowed to be kept in guest bedrooms or stored away safely. The reception team will point guests to local bike washing facilities should this be required. Cycle maintenance tools including bicycle pumps and puncture repair kits are available from reception;
- Premier Inn provide adequate shower and changing facilities for those staff commuting by active travel. Lockers are provided in the team / staff room for the storage of clothing and cycling equipment;
- All Premier Inn hotels provide free Wi-Fi, which may be connected to for access to travel related websites, for example; and
- Amazon have the option to provide Amazon Lockers within Premier Inn hotels. These are accessible to all, including the local community, 24 hours a day.

5.4 General Information and Raising Awareness

- 5.4.1 Some guests and staff may choose to travel by car, therefore it may be appropriate to promote car sharing. Potential cost savings can be calculated here: <https://liftshare.com/uk/savings-calculator>, while national websites such as 'liftshare' and 'blablacar' allow users to find a car share BUDi for free.
- 5.4.2 Staff travel can be influenced through the following:
- All staff will be informed of the Travel Plan during their interview / the induction process through a 'Staff Welcome Pack';
 - Reception staff will be trained to ensure they understand the site location and locale, enabling them to respond to all guest travel queries; and
 - A Travel Plan notice board displaying up to date information on sustainable travel will be erected within a communal area i.e. the team / staff room.
- 5.4.3 The following events and dates will be promoted by the Travel Plan Coordinator, where appropriate, and communicated via the Travel Plan noticeboard and staff meetings:
- May – Walk to Work Week and Work Wise Week;
 - June – Bike to Work Week;
 - September – Travelwise / European Mobility Week;
 - October – National Liftshare Week; and
 - November – Commute Smart Week.
- 5.4.4 Guest travel can be influenced through the following:
- A digital display screen will be provided in the reception, mapping the surrounding area, and detailing local transport links. The screen includes a QR code which guests can scan using their smartphone for additional travel information; and
 - The Premier Inn website contains up-to-date travel information and other relevant details for each hotel across its estate.

6 IMPLEMENTATION, FUNDING AND MONITORING

6.1 Implementation and Funding

- 6.1.1 Whitbread commit to providing an initial budget for the implementation of this document to finance the Measures identified.
- 6.1.2 The implementation of most Measures of this document will be met as part of the construction phase, whilst any on-going management of this document will be part of the TPC role.
- 6.1.3 'Other' associated costs will be met by Whitbread.

6.2 Monitoring

- 6.2.1 The TPC will undertake all Travel Plan monitoring through Travel Plan Surveys – all Travel Plan Surveys will be iTRACE compliant.
- 6.2.2 An initial Travel Plan Survey will be completed by the TPC six months post-development – this will inform the preparation of revised Travel Plan targets.
- 6.2.3 Further Travel Plan Surveys will be completed annually, for the five-year life of the Travel Plan, with measures and targets of the Travel Plan considered accordingly.
- 6.2.4 Following the annual Travel Plan Surveys, the TPC will prepare an 'Annual Travel Plan Progress Report', which would be shared with interested parties as requested.
