PROPOSED GROUND FLOOR
PLANS 1:50m

ELECTRICS
All new electrical works are to be carried out under the supervision of a qualified electrician. The proposed works include the installation of new lighting, sockets, and switches throughout the building. The existing wiring is to be inspected and replaced where necessary. The proposed works are to be carried out in accordance with the relevant regulations and standards.

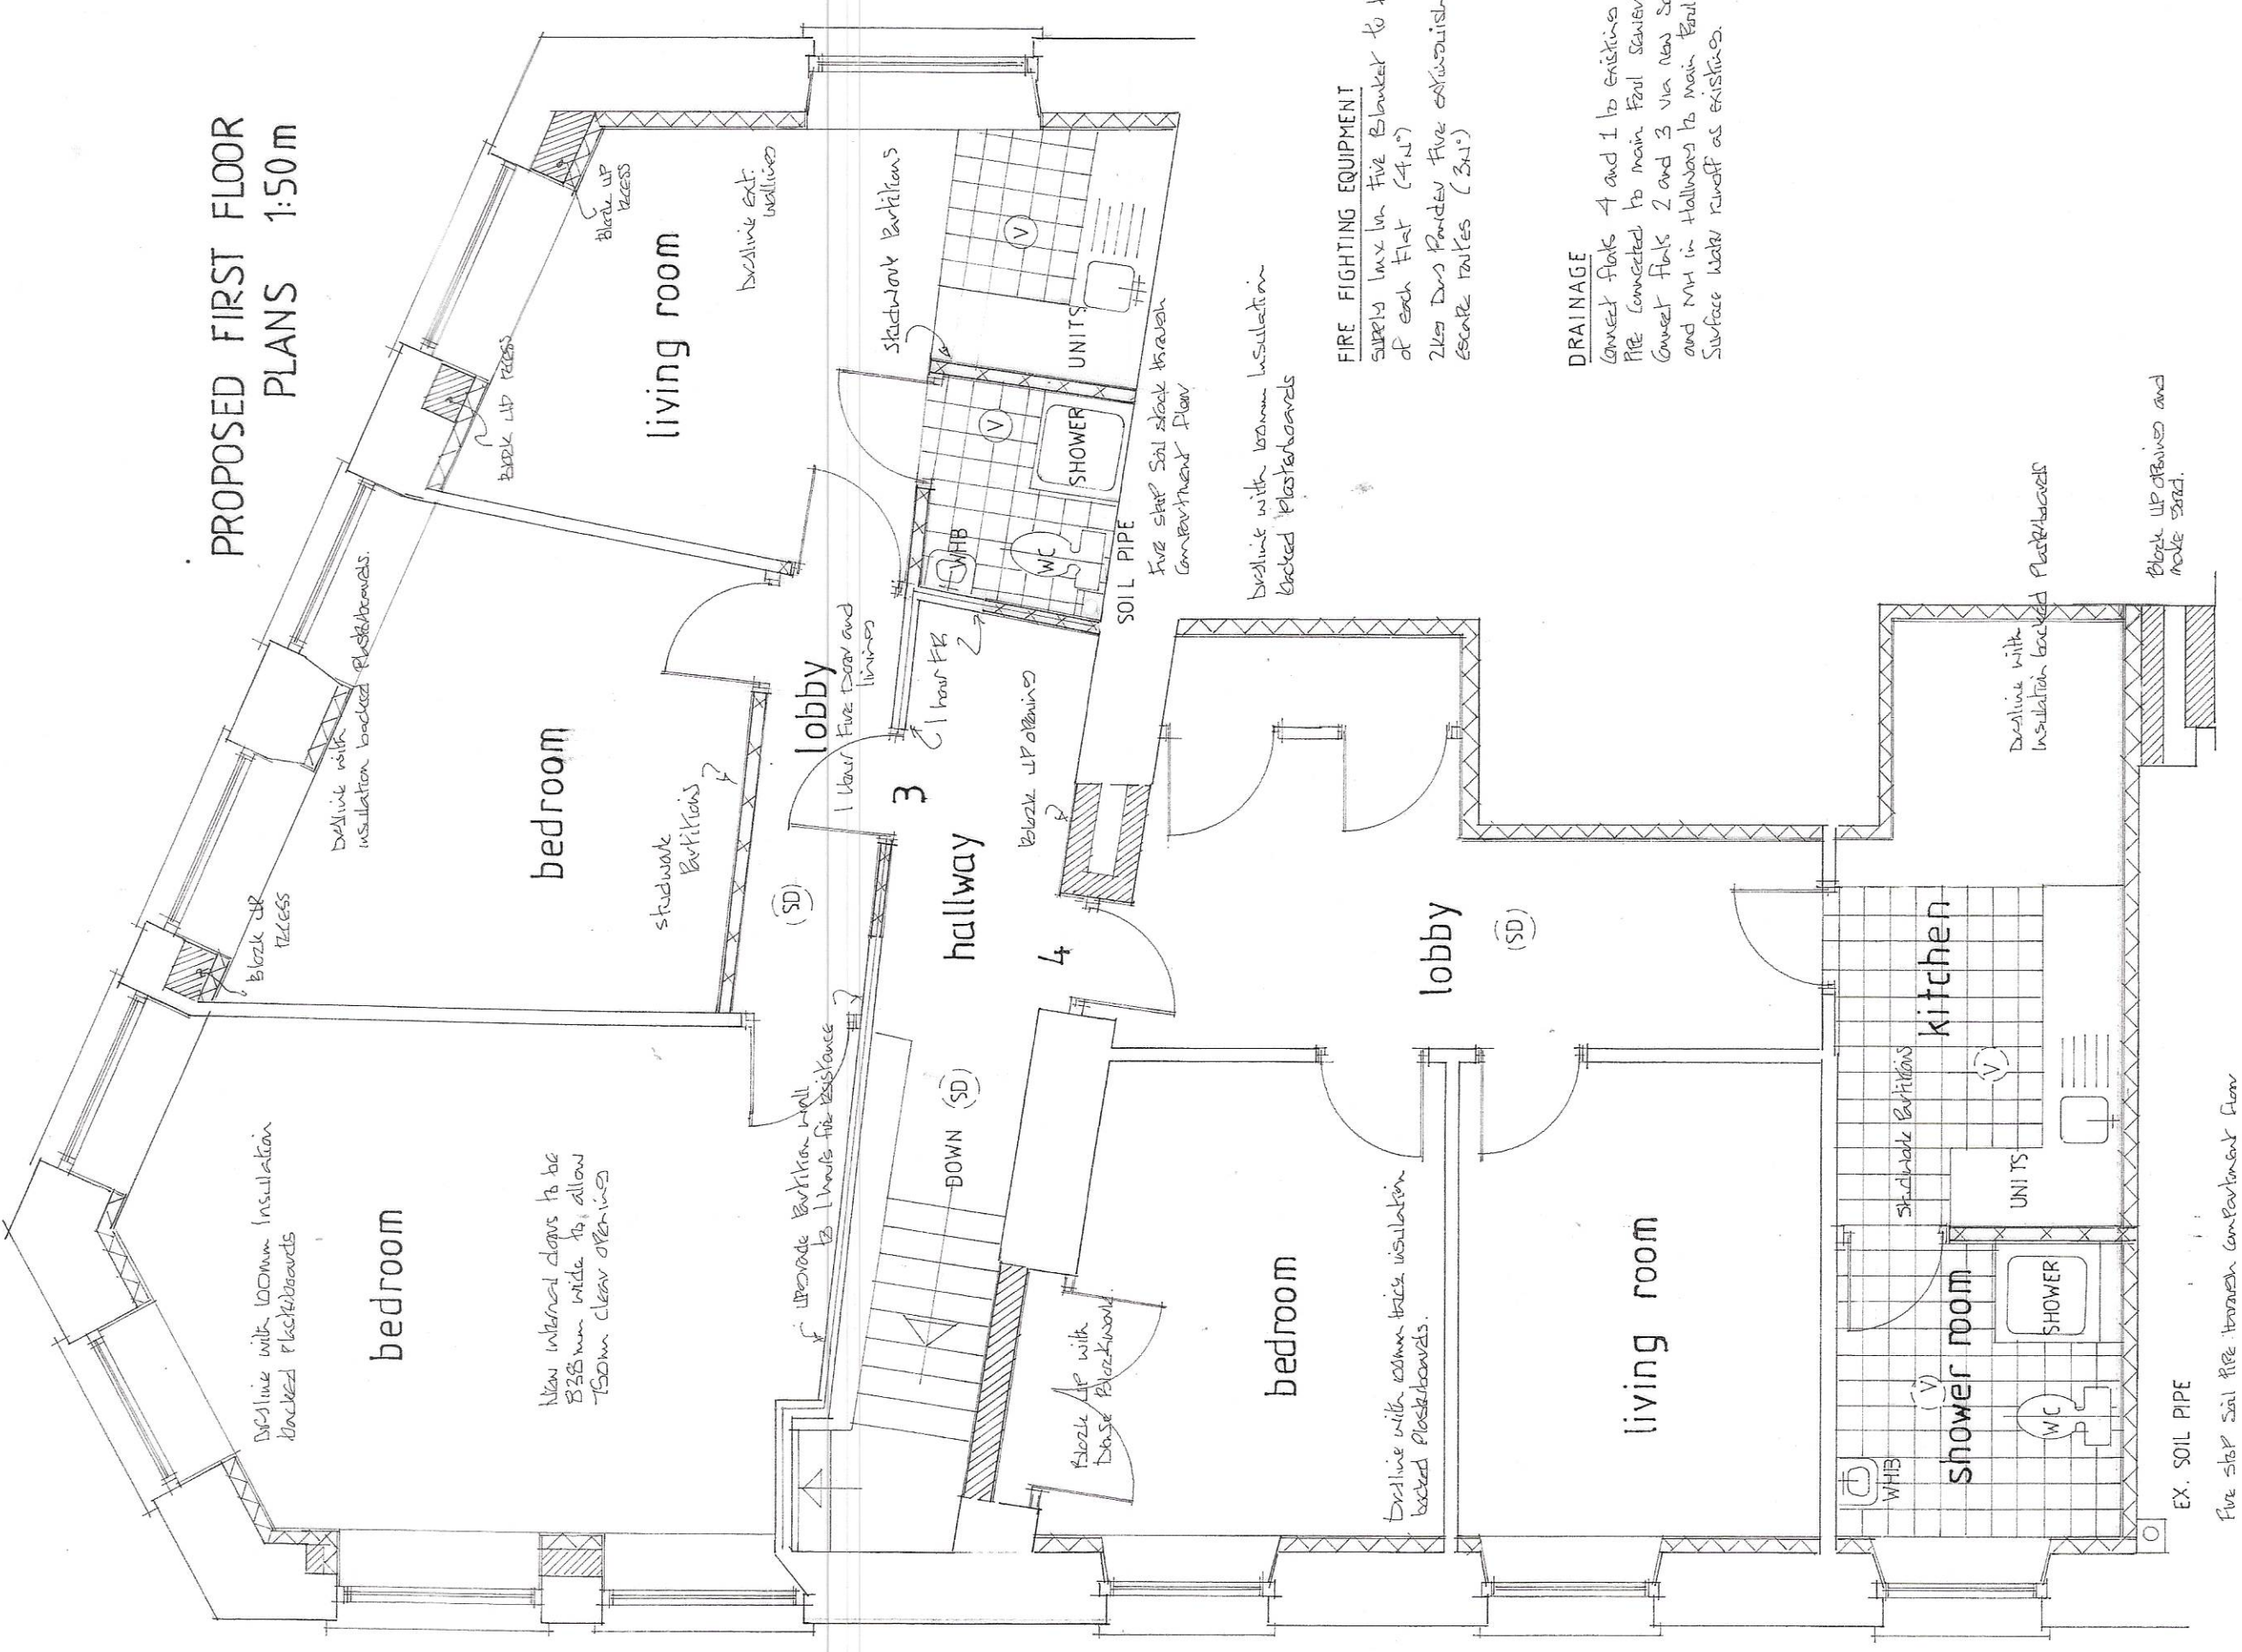

SUSPENDED FLOORS
The proposed suspended floors are to be constructed in accordance with the relevant regulations and standards. The existing floors are to be inspected and replaced where necessary. The proposed works are to be carried out in accordance with the relevant regulations and standards.

NOTES:
All dimensions must be checked on site and not scaled from this drawing.
This plan has been prepared for Planning and/or Building Regulation purposes only.
Some forms of building works may require action by the owners under The Party Wall Act 1996. The adjoining owners are to be informed of the proposals at least one month before commencement of works and their written approvals obtained.
