Dear Sir

Re: Single storey rear extension and internal renovations
73 Nightingale Street Abercanaid Merthyr Tydfil CF48 1EJ
Pl.App.No.: P/26/0079

Thank you for consulting us about this application; consequently we have reviewed the detailed information contained on your website.

We have consulted the regional Historic Environment Record and note that 73 Nightingale Street is a Grade II Listed Building (Cadw ref. 81741), a terraced house which is part of an important early group of industrial housing. However, the Listing description notes that there are modern additions such as windows and doors, with the rear elevation having concrete render.

However, we note the front elevation will be preserved in the proposed scheme and overall it is unlikely that archaeologically significant material will be encountered during the course of the proposed works.

As a result, there is unlikely to be an archaeological restraint to this proposed development and consequently, as the archaeological advisors to your Members, we have no objections to the positive determination of this application. The record is not definitive, however, and features may be disturbed during the course of the work. In this event, please contact this division of the Trust.

If you have any questions or require further advice on this matter please do not hesitate to contact us.

Yours faithfully

R. Dunning
