

1 WEST ELEVATION (PART) AS EXISTING
225 1:100 (approx)

2 WEST ELEVATION (PART) AS PROPOSED
225 1:100 (approx)

West Elevation Notes

1. Remove modern infill materials to the rendered wall to the west elevation of the boiler house where a previous opening is visible within the render. Make good reveals
2. Incorporate new exterior solid timber door with vertical boarding to outer face as illustrated on drawing 22-1039-223, door reference D10. To fit within existing aperture.
