in well under 6000
dollars.

yard

Grab the concrete form, lay down barbed wire, lay down bottom finished 1st level

A detailed floor plan of the first floor. The layout includes a large central hall with a circular feature in the middle. To the left of the hall is a staircase and a room with a desk and chair. To the right is a room with a desk and chair. The plan also shows various smaller rooms, corridors, and a large room at the bottom right with a desk and chair. The drawing is a technical sketch with lines and labels.
