Dear Miss Grant

RE: Discharge of condition 19 (Bat Method Statement) of planning permission P/23/0131 relating to a new school building

I write in regards to the above mentioned application and the supporting information provided, which includes a copy of the Bat Method Statement Version V3.2 (received 11.01.2024).

Condition 19: Bat Method Statement

The above mentioned Bat Method statement prepared by Ecological Service Ltd has been reviewed by the Planning Ecologist and is deemed to set out the appropriate measures to ensure no harm to bat species during the construction/demolition works.

Accordingly, the requirements of conditions 19 of planning permission P/23/0131 can now be discharged, subject to the works being completed in accordance with the approved details. I have enclosed an updated planning permission, which reflect this decision.

Yours sincerely
