Dear David

As you may be aware, we have certain [consultation topics](#) which we want to be consulted on by planning authorities. We keep this list of topics under review, but at the moment potential impacts to woodland on the Ancient Woodland Inventory isn't included. We appreciate PPW10 guides planning authorities to consider the advice of NRW in these cases. However, we recommend you seek advice on the development's potential impact on the woodland from your authority's ecologist.

Kind Regards
Andrew Hurst
