The Council in pursuance of its powers under the above mentioned Act and Order hereby **GRANTS PERMISSION** for the carrying out of the proposed development as described above and in accordance with the application and plans (if any) submitted with the application subject to compliance with the following conditions.

CONDITIONS

Please see attached.

Date: 8th February 2021

Signed:

(Director of Neighbourhood Services)

**IT IS IMPORTANT THAT YOU READ
THE NOTES ATTACHED TO THIS FORM**

- 1 The development shall begin not later than five years from the date of this decision.

Reason - To comply with Section 91 of the Town and Country Planning Act 1990.

- 2 The development shall be carried out in accordance with the following approved plans and documents:

Proposed block plan received on 27.11.2019

Drawing number hdw/ph/ala/03b Proposed Site Plan and Section A/A received on 14.05.2020

Drawing number hdw/ph/ala/04b Proposed Landscape and Boundary Treatments received on 22.01.2021

Drawing number hdw/ph/ala/01a Proposed Floor Plan, Elevations and Section received on 22.01.2021

Preliminary Ecological Appraisal and Bat Survey Report, Issue Final 01.12.2020 received on 08.12.2020

Arboricultural Evaluation received on 26.01.2021

Transport Statement January 2020

Reason -To ensure compliance with the approved plans and clearly define the scope of the permission.

- 3 Prior to the construction of the dwelling hereby approved details and/or samples of the materials to be used in the construction of the external surfaces of the dwelling shall be submitted to and approved in writing by the local planning authority. Development shall be carried out in accordance with the approved details.

Reason - To ensure that the external appearance of the proposed development will be in keeping with the character of the area and adjoining buildings in the interests of visual amenity and to accord with Policy SW11 of the Merthyr Tydfil County Borough Council Replacement Local Development Plan.

- 4 **Before works commence on site** full engineering details of the road layout/widening proposal with sections, construction/materials details, surface water drainage details shall be submitted to and approved in writing by the Local Planning Authority. The works shall be completed in accordance with the approved details prior to the occupation of the dwelling, hereby approved.

Reason - In the interests of road safety in accordance with Policy SW11 of the Merthyr Tydfil County Borough Council Replacement Local Development Plan.

Condition 4 discharged on 19.12.2023 App No. P/23/0214.

- 5 All planting, seeding or turfing comprised in the approved details of landscaping as shown on drawing number hdw/ph/ala/o4b shall be carried out in the first planting and seeding seasons following the occupation of the buildings or the completion of the development, whichever is the sooner; and any trees or plants which within a period of 5 years from the completion of the development die, are removed or become seriously damaged or

diseased shall be replaced in the next planting season with others of similar size and species.

Reason - To ensure that the new development will be visually attractive in the interests of amenity and to accord with Policy SW11 of the Merthyr Tydfil County Borough Council Replacement Local Development Plan.

- 6 Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 1995 (as amended for Wales) (or any order revoking and re-enacting that Order with or without modification), no windows, dormers or roof extensions shall be erected within the rear south-western roof plane of the dwelling other than those expressly authorised by this permission.

Reason - To protect the amenity and privacy of neighbouring residents in accordance with Policy SW11 of the Merthyr Tydfil County Borough Council Replacement Local Development Plan.

- 7 **No development shall take place** until a site investigation has been carried out in accordance with a methodology first submitted to and approved in writing by the Local Planning Authority. The results of the site investigation shall be submitted to the Local Planning Authority before any development begins. If any land instability issues are found during the site investigation, a report specifying the measures to be taken to remediate the site to render it suitable for the development shall be submitted to and approved in writing by the Local Planning Authority. Remedial measures shall be carried out prior to the first beneficial use of the development in accordance with the approved details and retained in perpetuity.

Reason - The site may be unstable and as such in the interests of safety remedial measures may need to be carried out.

- 8 No surface water and/or land drainage shall be allowed to connect directly or indirectly with the public sewerage network.

Reason - To prevent hydraulic overloading of the public sewerage system, to protect the health and safety of existing residents and ensure no pollution of or detriment to the environment.

1. The grant of planning permission does not entitle developers to obstruct or carry out works to a public right of way. Enforcement action may be taken against any person who obstructs or damages a right of way. Development, in so far as it affects a right of way, should not be started; and the right of way should be kept open for public use until the necessary order under s.247 or s.257 of the Town and Country Planning Act 1990 for the diversion or extinguishment of the right of way has come into effect. Nor should it be assumed that because planning permission has been granted an order will invariably be made or confirmed. If you need advice about the right of way you should contact the Rights of Way Division on 01685 725309/rightsofway@merthyr.gov.uk.

2. This planning permission does not provide consent to undertake works that require a European Protected Species (EPS) licence.

All bats and their roosts are protected under UK and European legislation. It is an offence to deliberately kill, injure, capture or disturb a bat or to recklessly damage or destroy their breeding sites or resting places.

If works are planned on a building/tree in which bats are found to be roosting, Natural Resources Wales (NRW) must be contacted. on 0300 065 3000 or at <https://naturalresources.wales/permits-and-permissions/species-licensing/apply-for-a-protected-species-licence/bat-licences/?lang=en>.

If work has already commenced and bats are found, or if any evidence that bats are using the site as a roost is found, work should cease and NRW should be contacted immediately.

Under these circumstances, an EPS licence is likely to be required to undertake the works within the law.

3. All birds, their nests and eggs are protected by law under the Wildlife and Countryside Act 1981 (as amended) while they are breeding.

If works to any trees, hedgerows and/or other nesting bird habitat (including buildings with suitable features) are to be undertaken, they will take place outside of the bird nesting season. If the works must be undertaken during the nesting season (generally from 1st March until 31st August, although birds are known to nest outside of these dates in suitable conditions), a breeding bird survey will be required and must be carried out by a suitably qualified ecologist. Any active nests identified will be protected until the young have fledged.

Where a Schedule 1 species (as defined in the Wildlife and Countryside Act - <https://www.legislation.gov.uk/ukpga/1981/69/schedule/1> is involved, compensation for impacts, e.g., loss of nesting sites, will be devised and implemented.

4. The developer is advised to contact Merthyr Tydfil County Borough Council's Highway Division regarding any retaining works or other works affecting the highway BEFORE construction works commence. This approval is independent of the approval of planning permission.

The developer is advised that he/she will need to enter into a Highway Adoption Agreement to facilitate the proposed highway improvements as per the details provided within the Traffic Assessment.

5. Some public sewers and lateral drains may not be recorded on Welsh Waters maps because they were originally privately owned and were transferred into public ownership by nature of the Water Industry (Schemes for Adoption of Private Sewers) Regulations 2011. The presence of such assets may affect the proposal. The applicant is advised to contact Welsh Water on 0800 917 2652 to establish the location and status of the sewer. Under the Water Industry Act 1991 Dwr Cymru Welsh Water has rights of access to its apparatus at all times.

NOTES

Your attention is drawn to the following:-

Appeals to the Planning & Environment Decisions Wales:

- If you are aggrieved by the decision of the Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Planning & Environment Decisions Wales under Section 78 of the Town and Country Planning Act 1990 (as amended).
- If you want to appeal, then you must do so within **six months** of the date of this notice, using a form which you can get from Planning & Environment Decisions Wales, Crown Buildings, Cathays Park, Cardiff, CF10 3NQ. Alternatively you can use Planning & Environment Decisions Wales website (www.gov.wales/planningappeal) to complete your appeal.
- The Planning & Environment Decisions Wales can allow a longer period of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Planning & Environment Decisions Wales need not consider an appeal if it seems that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any Development Order and to any directions given under a Development Order.
- In practice, the Planning & Environment Decisions Wales does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by them.

Purchase Notices:

- If either the Local Planning Authority or Planning & Environment Decisions Wales refuses permission to develop land or grants it subject to conditions, the owner may claim that he/she can neither put the land to a reasonable beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a Purchase Notice on the Council. This notice will require the Council to purchase his/her interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990 (as amended).

PLEASE NOTE: THIS NOTICE RELATES ONLY TO A PLANNING DECISION AND DOES NOT RELATE TO OTHER LEGISLATION INCLUDING ANY LEGISLATION UNDER:

BUILDING REGULATIONS
LISTED BUILDING LEGISLATION
HIGHWAY LEGISLATION

IF PLANNING PERMISSION HAS BEEN GRANTED IT IS ADVISABLE TO ESTABLISH WHETHER ANY OTHER FORM OF CONSENT IS REQUIRED AND TO OBTAIN SUCH CONSENT BEFORE COMMENCING DEVELOPMENT
