Dear Planning,

Thank you for your consultation regarding the above, which we received on 08/09/2026.

We note that Natural Resources Wales was not consulted on applications P/24/0033 or P/23/0125, and did not request a condition for landscaping details.

Therefore, we have no comment to make in relation to this Variation of Conditions application (reference P/26/0192).

Please note, our decision not to comment does not rule out the potential for the application to affect other interests, including environmental interests of local importance.

The applicant should be advised that, in addition to planning permission, it is their responsibility to ensure they secure all other permits/consents relevant to their development.

We trust the above information is of assistance however, should you have any queries, please do not hesitate to contact me.

Kind regards,
Dylan Johnston
