

MERTHYR TYDFIL COUNTY BOROUGH COUNCIL

TOWN AND COUNTRY PLANNING ACT 1990 (as amended)
The Town and Country Planning (Development Management Procedure)
(Wales) Order 2012 (as amended)

OUTLINE PLANNING PERMISSION

To: TRI W Limited c/o Mr Jon Hurley Asbri Planning Ltd. Unit 9 Oak Tree Court Cardiff Gate
Business Park

WHEREAS you submitted an application on the 27th June 2023 to develop: Land Adjacent To 8 & 9
Perrott Street Treharris short particulars of the application being as follows:-

Name of the Applicant

TRI W Limited
C/O Asbri Planning
Unit 9 Oak Tree Court
Mulberry Drive
Cardiff

Description of Proposed Development

New building comprising of retail space and residential
units (Outline)

The Council in pursuance of its powers under the above mentioned Act and Order hereby **GRANTS
OUTLINE PERMISSION** for the carrying out of the proposed development as described above and in
accordance with the application and plans submitted with the application, subject to the following
condition(s),

CONDITIONS

Please see attached sheet.

Date: 9th November 2023

Signed:

(Director of Neighbourhood Services)

**IT IS IMPORTANT THAT YOU READ
THE NOTES ATTACHED TO THIS FORM**

CONDITIONS

- 1 The development shall begin either before the expiration of five years from the date of this permission or before the expiration of two years from the date of approval of the last of the reserved matters to be approved, whichever is the later.

Reason - To comply with Section 92 of the Town and Country Planning Act 1990 and Part (3)1 of the Town and Country Planning (General Development Procedure) (Amendment) (Wales) Order 2012.

- 2 Details of the landscaping (hereinafter called "the reserved matters") shall be submitted to and approved in writing by the Local Planning Authority before any development begins and the development shall be carried out as approved.

Reason - To comply with Section 92 of the Town and Country Planning Act 1990 and Part (3)1 of the Town and Country Planning (General Development Procedure) (Amendment) (Wales) Order 2012.

- 3 Any application for approval of the reserved matters shall be made to the Local Planning Authority not later than three years from the date of this permission.

Reason - To comply with Section 92 of the Town and Country Planning Act 1990 and Part (3)1 of the Town and Country Planning (General Development Procedure) (Amendment) (Wales) Order 2012.

- 4 The development shall be carried out in accordance with the following approved plans and documents:

- Site Location Plan - Drawing no. A001
- Proposed Site Plan - Drawing no. A003 Rev A
- Proposed Lower Ground Floor Plan - Drawing no. A004 Rev C
- Proposed Upper Ground Floor Plan - Drawing no. A005 Rev D
- Proposed First Floor Plan - Drawing no. A006 Rev C
- Proposed Second Floor Plan - Drawing no. A007 Rev C
- Proposed Roof Plan - Drawing no. A008 Rev E
- Proposed Elevations - Drawing no. A009 Rev G
- Preliminary Ecological Assessment - Land adjacent to 8-9 Perrott Street, Treharris (Alder Ecology Ltd, 12 September 2023)

Reason -To ensure compliance with the approved plans and clearly define the scope of the permission.

- 5 **No development shall commence** until a drainage scheme for the site has been submitted to and approved in writing by the Local Planning Authority. The scheme shall provide for the disposal of foul water. Thereafter the scheme shall be implemented in accordance with the approved details prior to the occupation of the development and no further foul water shall be allowed to connect directly or indirectly with the public sewerage system.

Reason - To prevent hydraulic overloading of the public sewerage system, to protect the health and safety of existing residents and ensure no pollution of or detriment to the environment in accordance with LDP Policy EnW4 of the Merthyr Tydfil County Borough Council Replacement Local Development Plan.

- 6 **Prior to any construction works commencing** on the development hereby approved full details / samples of the materials to be used in the construction of the external surfaces of the development shall be submitted to and approved in writing by the local planning authority. Development shall be carried out in accordance with the approved details.

Reason - To ensure that the external appearance of the proposed development will be in keeping with the character of the area and adjoining buildings in the interests of visual amenity and to accord with Policy SW11 of the Merthyr Tydfil County Borough Council Replacement Local Development Plan.

- 7 **Prior to the occupation of the residential units** the parking spaces indicated on drawing No. A003 Rev A titled 'Proposed Site Plan' shall be provided on site and shall remain available for their designated use in perpetuity.

Reason - To ensure vehicles are parked off the public highway, in the interests of highway safety and the free flow of traffic and to accord with Policy SW11 of the Merthyr Tydfil County Borough Council Replacement Local Development Plan.

- 8 All rooflights hereby permitted shall be conservation style rooflights set as flush as practicable within the roof slope.

Reason - To ensure the development preserves the character and appearance of the conservation area in accordance with Policy CW1 of the Merthyr Tydfil County Borough Council Replacement Local Development Plan.

- 9 In the event that any evidence of potential contamination is found at any time when carrying out the approved development that was not previously identified then all development works should be stopped immediately, the Local Planning Authority and the Environmental Health Department contacted within 2 working days and a scheme to investigate the risks and any required remedial measures be submitted to, agreed and approved in writing by the Local Planning Authority prior to the recommencement of development works. Following the completion of development works and prior to the first occupation of the site, sufficient information must be submitted to demonstrate that any required remedial measures were satisfactorily implemented or confirmation provided that no unexpected contamination was encountered.

Reason - To ensure the risks from land contamination to the future users of the land and neighbouring land are minimised, together with those to controlled waters, property and ecological systems, and to ensure that the development can be carried out safely without unacceptable risks to workers, neighbours and other offsite receptors in accordance with Policy SW11 and EnW4 of the Merthyr Tydfil Replacement Local Development Plan.

- 10 Demolition or construction works shall not take place outside the hours of 08:00 to 18:00 Mondays to Fridays and 09:00 to 14.00 on Saturdays and at no time on Sundays or Public Holidays.

Reason - To ensure that the noise emitted/activities are not a source of nuisance to occupants of nearby properties in accordance with Policies SW11 and EnW4 of the Merthyr Tydfil County Borough Council Replacement Local Development Plan.

INFORMATIVES

1. The applicant / developer should contact the Council's Engineering and Traffic section on EngineeringandTraffic@merthyr.gov.uk regarding the required S278 agreement and amendment of the existing TRO.

2. This planning permission does not provide consent to undertake works that require a European Protected Species (EPS) licence.
All bats and their roosts are protected under UK and European legislation. It is an offence to deliberately kill, injure, capture or disturb a bat or to recklessly damage or destroy their breeding sites or resting places.

If works are planned on a building/tree in which bats are found to be roosting, Natural Resources Wales (NRW) must be contacted. on 0300 065 3000 or at <https://naturalresources.wales/permits-and-permissions/species-licensing/apply-for-a-protected-species-licence/bat-licences/?lang=en>.

If work has already commenced and bats are found, or if any evidence that bats are using the site as a roost is found, work should cease and NRW should be contacted immediately.

Under these circumstances, an EPS licence is likely to be required to undertake the works within the law.

3. All birds, their nests and eggs are protected by law under the Wildlife and Countryside Act 1981 (as amended) while they are breeding.

If works to any trees, hedgerows and/or other nesting bird habitat (including buildings with suitable features) are to be undertaken, they will take place outside of the bird nesting season. If the works must be undertaken during the nesting season (generally from 1st March until 31st August, although birds are known to nest outside of these dates in suitable conditions), a breeding bird survey will be required and must be carried out by a suitably qualified ecologist. Any active nests identified will be protected until the young have fledged.

Where a Schedule 1 species (as defined in the Wildlife and Countryside Act - <https://www.legislation.gov.uk/ukpga/1981/69/schedule/1> is involved, compensation for impacts, e.g., loss of nesting sites, will be devised and implemented.

4. This grant of planning permission does not convey consent for the display of any advertisement on the application site.
5. The proposed development site is crossed by public sewers with the approximate position being marked on the attached Statutory Public Sewer Record. The positions shall be accurately located, marked out on site before works commence and no operational development shall be carried out within 3 metres either side of the centreline of the public sewers. The applicant is advised to contact Welsh Water to discuss.

As of 7th January 2019, this proposed development is subject to Schedule 3 of the Flood and Water Management Act 2010. The development therefore requires approval of Sustainable Drainage Systems (SuDS) features, in accordance with the 'Statutory standards for sustainable drainage systems - designing, constructing, operating and maintaining surface water drainage systems'. It is therefore recommended that the developer engage in consultation with the Local Authority, as the determining SuDS Approval Body (SAB), in relation to their proposals for SuDS features. Please note, Dwr Cymru Welsh Water is a statutory consultee to the SAB application process and will provide comments to any SuDS proposals by response to SAB consultation.

In accordance with Planning Policy Wales (Edition 11) and Technical Advice Note 12 (Design), the applicant is advised to take a sustainable approach in considering water supply in new development proposals, including utilising approaches that improve water efficiency and reduce water consumption. We would recommend that the applicant liaises with the relevant Local Authority Building Control department to discuss their water efficiency requirements.

The applicant may need to apply to Dwr Cymru / Welsh Water for any connection to the public sewer under S106 of the Water industry Act 1991. If the connection to the public sewer network is either via a lateral drain (i.e., a drain which extends beyond the connecting property boundary) or via a new sewer (i.e., serves more than one property), it is now a mandatory requirement to first enter into a Section 104 Adoption Agreement (Water Industry Act 1991). The design of the sewers and lateral drains must also conform to the Welsh Ministers Standards for Gravity Foul Sewers and Lateral Drains and conform with the publication "Sewers for Adoption"- 7th Edition. Further information can be obtained via the Developer Services pages of www.dwrcymru.com

The planning permission hereby granted does not extend any rights to carry out any works permissions required by the Water industries Act 1991. Any alterations to existing premises resulting in the creation of additional premises or merging of existing premises must also be constructed so that each is separately connected to the Company's water main and can be separately metered. Please contact our new connections team on 0800 917 2652 for further information on water and sewerage connections.

The applicant is also advised that some public sewers and lateral drains may not be recorded on our maps of public sewers because they were originally privately owned and were transferred into public ownership by nature of the Water Industry (Schemes for Adoption of Private Sewers) Regulations 2011. The presence of such assets may affect the proposal. In order to assist us in dealing with the proposal the applicant may contact Dwr Cymru Welsh Water. Under the Water Industry Act 1991 Dwr Cymru Welsh Water has rights of access to its apparatus at all times.

SEWAGE TREATMENT

No problems are envisaged with the Wastewater Treatment Works for the treatment of domestic discharges from this site.

WATER SUPPLY

We anticipate this development will require the installation of a new single water connection to serve the new premise. Capacity is available in the water supply system to accommodate the development. The applicant will need to apply to Dwr Cymru Welsh Water for a connection to the potable water supply system under Section 45 of the Water industry Act 1991. The applicant attention is drawn to our new water connection application guidance notes available on our website.

6. Please refer to the advice in the letter received from South Wales Fire Service dated 6 July 2023.

NOTES

Your attention is drawn to the following:-

Appeals to the Planning & Environment Decisions Wales:

- If you are aggrieved by the decision of the Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Planning & Environment Decisions Wales under Section 78 of the Town and Country Planning Act 1990 (as amended).
- If you want to appeal, then you must do so within **six months** of the date of this notice, using a form which you can get from Planning & Environment Decisions Wales, Crown Buildings, Cathays Park, Cardiff, CF10 3NQ. Alternatively you can use the Planning Inspectorate website (www.gov.wales/planningappeal) to complete your appeal.
- Planning & Environment Decisions Wales can allow a longer period of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- Planning & Environment Decisions Wales need not consider an appeal if it seems that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any Development Order and to any directions given under a Development Order.
- In practice, Planning & Environment Decisions Wales does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by them.

Purchase Notices:

- If either the Local Planning Authority or Planning & Environment Decisions Wales refuses permission to develop land or grants it subject to conditions, the owner may claim that he/she can neither put the land to a reasonable beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a Purchase Notice on the Council. This notice will require the Council to purchase his/her interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990 (as amended).

PLEASE NOTE: THIS NOTICE RELATES ONLY TO A PLANNING DECISION AND DOES NOT RELATE TO OTHER LEGISLATION INCLUDING ANY LEGISLATION UNDER:

BUILDING REGULATIONS
LISTED BUILDING LEGISLATION
HIGHWAY LEGISLATION

IF PLANNING PERMISSION HAS BEEN GRANTED IT IS ADVISABLE TO ESTABLISH WHETHER ANY OTHER FORM OF CONSENT IS REQUIRED AND TO OBTAIN SUCH CONSENT BEFORE COMMENCING DEVELOPMENT
