Dear Sir/Madam,

Thank you for consulting Natural Resources Wales on the above application.

We have reviewed the planning application submitted to us, and from the information provided we do not consider that the proposed development affects a matter listed on our Consultation Topics, *Development Planning Advisory Service: Consultation Topics* (September 2018): <https://naturalresources.wales/guidance-and-advice/business-sectors/planning-and-development/our-role-in-planning-and-development/?lang=en>.

We note that the bat report submitted in support of the above application (A Preliminary Roost Assessment on behalf of Penydarren Boys and Girls Club for Bont Playing Field Gellifaelog Old Road Merthyr Tydfil CF47 9HH, by Little Wing Ecology CYF, February 2023) has identified that bats were not using the application site. We therefore have no comments to make on the application as submitted.

Please note that our decision not to comment does not rule out the potential for the proposed development to affect other interests, including environmental interests of local importance.

The applicant should be advised that, in addition to planning permission, it is their responsibility to ensure that they secure all other permits/consents relevant to their development.

We trust that the above comments are of assistance however, should you have any queries, please do not hesitate to contact me.

Kind regards,

Ryan Rees
