

INTERNAL MEMORANDUM

To : Caroline Pulley
From : Landscape Architect
Ask for : Tom Bramley
Ext. : 6276

Date : 21st October 2020

**Discharge of Conditions P/20/0232 Land adjacent to 22 Pant Road,
Dowlais (Application Ref: P/18/0395)**

The following comments relate to the above discharge of conditions:

The individual company or person tasked with the excavation and removal to landfill of the stands of Japanese Knotweed found growing on site shall comply with the methodology outlined in the technical Japanese Knotweed Control report associated with this application. The selected method is appropriate. Monitoring and certification that the removal is complete shall be to the satisfaction of the applicant and evidence supplied to the LPA. It is in the interest of the applicant, to ensure that technically correct procedures will be adhered to, in order that no contamination remains or is transferred elsewhere.

In respect of the above condition, it is appropriate for this to be discharged.

Kind regards

Tom Bramley – Landscape Architect
