## INFORMATIVES

1. All birds, their nests and eggs are protected by law under the Wildlife and Countryside Act 1981 (as amended) while they are breeding.

If works to any trees, hedgerows and/or other nesting bird habitat (including buildings with suitable features) are to be undertaken, they will take place outside of the bird nesting season. If the works must be undertaken during the nesting season (generally from 1st March until 31st August, although birds are known to nest outside of these dates in suitable conditions), a breeding bird survey will be required and must be carried out by a suitably qualified ecologist. Any active nests identified will be protected until the young have fledged.

Where a Schedule 1 species (as defined in the Wildlife and Countryside Act - <https://www.legislation.gov.uk/ukpga/1981/69/schedule/1>) is involved, compensation for impacts, e.g., loss of nesting sites, will be devised and implemented.

## NOTES

Your attention is drawn to the following:-

Appeals to the Planning & Environment Decisions Wales:

- If you are aggrieved by the decision of the Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Planning & Environment Decisions Wales under Section 78 of the Town and Country Planning Act 1990 (as amended).
- If you want to appeal, then you must do so within **six months** of the date of this notice, using a form which you can get from Planning & Environment Decisions Wales, Crown Buildings, Cathays Park, Cardiff, CF10 3NQ. Alternatively you can use Planning & Environment Decisions Wales website ([www.gov.wales/planningappeal](http://www.gov.wales/planningappeal)) to complete your appeal.
- The Planning & Environment Decisions Wales can allow a longer period of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Planning & Environment Decisions Wales need not consider an appeal if it seems that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any Development Order and to any directions given under a Development Order.
- In practice, the Planning & Environment Decisions Wales does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by them.

Purchase Notices:

- If either the Local Planning Authority or Planning & Environment Decisions Wales refuses permission to develop land or grants it subject to conditions, the owner may claim that he/she can neither put the land to a reasonable beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a Purchase Notice on the Council. This notice will require the Council to purchase his/her interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990 (as amended).

PLEASE NOTE: THIS NOTICE RELATES ONLY TO A PLANNING DECISION AND DOES NOT RELATE TO OTHER LEGISLATION INCLUDING ANY LEGISLATION UNDER:
