Dear Sir/Madam

RE: Discharge of conditions 3 (paint removal) and 4 (paint colour) of Listed Building Consent P/23/0150.

I write in regards to the above mentioned application and the supporting information provided, which includes the guide to DOFF Cleaning for the removal of paint and details of the proposed paint to be used.

Condition 3 (Paint Removal):

It is acknowledged that the paint would be removed using DOFF Cleaning being a process where the paint is removed using stream, which can be utilised on a number of surfaces including stone and wood. It is understood that the paint removal process will be carried out by suitably experienced persons to avoid any damage to the listed building and is a process that is approved by heritage groups.

Condition 4 (Paint Colour):

Photographs illustrating samples of the paint (light pastel green) to be used have been provided, together with details of the proposed paint. It is noted that the paint colour would be BS 14-c-35. The colour of the proposed paint is considered to be appropriate for the listed building.

Therefore, the requirements of conditions 3 and 4 of listed building consent P/23/0150 can now be discharged, subject to the works being carried out in accordance with the approved details. I have enclosed an updated listed building consent, which reflect this decision.

Yours sincerely

JUDITH JONES
