Dear Clare Phillips

I write regarding the above-mentioned application and supporting information provided in relation to the above matters submitted on 24th March 2026 Seeking the discharge of the above condition.

Condition 3 requires the submission of details of all new cabling routes associated with the updating of CCTV at the premises for the agreement of the Local Planning Authority. The details shown on Drawing No's CCRW-PUR-01-01-DR-A-0199 and CCRW-PUR-01-00-DR-A-0200 along with the supporting location schedule are considered acceptable for the proposed development. As such the pre-commencement element of this condition is satisfied and the development can proceed.
