Dear Sir

**Re: Discharge of Condition 3 (Archaeological Work) of Planning Permission
P/19/0001: Former Labour Exchange Penydarren Road Merthyr Tydfil.
Pl.App.No.: P/20/0316.**

Thank you for consulting us regarding this application.

The supporting documentation is the final report on the archaeological work undertaken at the site, and also includes the specialist analyses of the finds from the site, and the building recording of the former Labour Exchange building (GGAT Archaeological Services, December 2020, reference 2020/081). Both the fieldwork (excavation and watching brief), historic building recording and the report meet current professional standards.

We therefore recommend that the condition (Condition 3) attached to the above planning consent can be discharged.

If you have any questions or require further advice on this matter, please do not hesitate to contact us.

Yours faithfully
