Pentrebach
Merthyr Tydfil

Description of Proposed Development

Construction of a new Primary school on the former School Site and provision of internal access road, car park and games area on part of the Godre'r Coed playing field site (Full)

The Council in pursuance of its powers under the above mentioned Act and Order hereby **GRANTS PERMISSION** for the carrying out of the proposed development as described above and in accordance with the application and plans (if any) submitted with the application subject to compliance with the following conditions.

CONDITIONS

Please see attached.

Date: 17th December, 2018

Signed:

(Head of Town Planning)

**IT IS IMPORTANT THAT YOU READ
THE NOTES ATTACHED TO THIS FORM**

CONDITIONS

- 1 The development shall begin not later than five years from the date of this decision.

Reason - To comply with Section 91 of the Town and Country Planning Act 1990.

- 2 The development shall be carried out in accordance with the following approved plans and documents:

- Drawing Numbers: TS1048 - P04; TS1048 - P05; TS1048 - P06; TS1048 - P07; TS1048 - P08; TS1048 - P09; TS1048 - P12; TS1048 - P13; 4324-WSP-XX-CP-DR-CH-100-001/S01; 4324-WSP-XX-CP-DR-CH-100-002/S01.

Reason - To ensure compliance with the approved plans and clearly define the scope of the permission.

- 3 **No development or site clearance shall take place** until there has been submitted to and approved in writing by the Local Planning Authority a scheme of landscaping. The scheme shall include indications of all existing trees (including spread and species) and hedgerows on the land, identify those to be retained and set out measures for their protection throughout the course of development.

Reason - To ensure that the new development will be visually attractive in the interests of amenity and to accord with Policy SW11 of the Merthyr Tydfil County Borough Council Replacement Local Development Plan.

Condition 3 discharged on 6.8.20 - App. No. P/20/0069.

- 4 All planting, seeding or turfing comprised in the approved details of landscaping shall be carried out in the first planting and seeding seasons following the occupation of the buildings or the completion of the development, whichever is the sooner; and any trees or plants which within a period of 5 years from the completion of the development die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species.

Reason - To ensure that the new development will be visually attractive in the interests of amenity and to accord with Policy SW11 of the Merthyr Tydfil County Borough Council Replacement Local Development Plan.

- 5 Prior to the construction of the school building hereby approved samples of the materials to be used in the construction of the external surfaces shall be submitted to and approved in writing by the local planning authority. Development shall be carried out in accordance with the approved details.

Reason - To ensure that the external appearance of the proposed development will be acceptable in the interests of visual amenity and to accord with Policy BW7 of the Merthyr Tydfil Local Development Plan.

Condition 5 discharged on 15.6.20 - App. No. P/20/0044.

- 6 Notwithstanding the submitted plans, prior to the occupation of the school hereby approved the colour and type of boundary treatment to be erected shall be submitted to and approved by the local planning authority. The boundary treatment shall be completed as approved before the school is brought into use.

Reason - To ensure that the new development will be visually attractive and boundaries protected in the interests of amenity in accordance with Policy BW7 of the Merthyr Tydfil Local Development Plan.

Condition 6 discharged on 6.8.20 - App. No. P/20/0069.

- 7 Prior to the access road hereby approved being brought into use, details of the entrance gate and railings shall be submitted to and approved in writing by the local planning authority. The entrance gate and railings shall be erected as approved before the road is brought into use.

Reason - To ensure that the new development will be visually attractive and boundaries protected in the interests of amenity in accordance with Policy BW7 of the Merthyr Tydfil Local Development Plan.

- 8 **No development shall commence** until details of a scheme for the disposal of foul and surface water has been submitted to and agreed in writing by the local planning authority. The scheme shall be implemented in accordance with the approved details prior to the relevant part of the development being brought into use.

Reason - To ensure adequate disposal of foul and surface water drainage in accordance with Policy BW8 of the Merthyr Tydfil Local Development Plan.

Condition 8 discharged on 14.10.19 - App. No. P/19/0107.

- 9 **No development shall take place** until details, including structural calculations and facing materials, of any retaining wall which exceeds 1 metre in height have been submitted to and approved in writing by the Local Planning Authority. The walls shall be completed in accordance with the approved details before the development hereby approved is brought into beneficial use.

Reason - In the interest of safety and visual amenity in accordance with Policy BW7 of the Merthyr Tydfil Local Development Plan .

Condition 9 Discharged on 25.04.2019 - App. No. P19/0094

- 10 **No development shall commence**, including any works of demolition, until a Construction Method Statement has been submitted to, and approved in writing by, the local planning authority. The approved statement shall be adhered to throughout the construction period. The statement shall provide for:
- i) the parking of vehicles of site operatives and visitors;
 - ii) loading and unloading of plant and materials;
 - iii) storage of plant and materials used in constructing the development;

- iv) the erection and maintenance of security hoarding including decorative displays and facilities for public viewing, where appropriate;
- v) wheel washing facilities;
- vi) measures to control the emission of dust and dirt during demolition and construction; and
- vii) a scheme for recycling/disposing of waste resulting from demolition and construction works.

Reason - In the interests of the highway safety and free flow of traffic and to protect the environment and so as to accord with Policy SW11 of the Merthyr Tydfil County Borough Council Replacement Local Development Plan.

Condition 10 discharged on 7.8.19 App. No. P/19/0093.

- 11 Demolition or construction works shall not take place outside the hours of 0800 to 1800 Mondays to Fridays and 0900 to 1400 on Saturdays and at no time on Sundays or Public Holidays.

Reason - To ensure that the noise emitted/activities are not a source of nuisance to occupants of nearby properties in accordance with Policy BW7 of the Merthyr Tydfil Local Development Plan.

- 12 **BEFORE the development hereby approved commences on-site**, a site investigation to determine the nature and extent of contamination shall be undertaken, and the results provided to the Local Planning Authority in the form of a risk assessment. The site investigation should include sampling of the fill material through trial pits or boreholes. If the site investigation results indicate that the site is contaminated, a scheme of remediation works shall be submitted to and approved by the Local Planning Authority in writing. The scheme as approved shall be fully implemented and completed **BEFORE** the development hereby approved commences on site.

Reason - To ensure that any contaminated soil or material is addressed and dealt with in an appropriate manner, in the public interest and in the interests of the future occupiers of the dwelling hereby approved.

Condition 12 Discharged on 19/06/19 App No. P/19/0111.

- 13 If the site investigation indicates that the site is contaminated, the school hereby approved shall not be occupied until a third party report which verifies that the submitted scheme of remediation works have been implemented in full, has been submitted to and approved in writing by the Local Planning Authority. This report should also provide evidence that any material imported to the site as part of any remediation strategy is free from contamination.

Reason - To ensure that any contaminated soil or material is addressed and dealt with in an appropriate manner, in the public interest and in the interests of the future occupiers of the dwelling hereby approved.

- 14 Before the school hereby permitted is brought into use, a School Travel Plan shall be submitted to and approved in writing by the Local Planning Authority. The recommendations contained within the approved School Travel Plan should be implemented in full thereafter.
