FAO: Rebecca Owens

Dear Sir

Re: Discharge of Conditions 3 (Bat Boxes), 4 (Biodiversity Enhancements), 8 (LEMP), 14 (Trunk Watermains), 16 (Historic Building Recording and Analysis) and 21 (Contamination) of Planning Permission P/25/0265: Land to the North of the Heads of the Valleys Road, off Rhymney Common Road, Dowlais.
Pl.App.No.: P/26/0126.

Thank you for consulting us regarding this application for discharge of condition.

We note the submission of the final report, which has been prepared by Lichfields, dated July 2026, on behalf of the applicant in order to meet condition 16 attached to P/25/0265.

The recording and reporting meet current professional archaeological standards and concludes the mitigation work necessary; we therefore recommend that the condition can be fully discharged. As noted within the report, when the condition is discharged, the report can be deposited in the Historic Environment Record.

If you have any questions or require further advice on this matter please do not hesitate to contact us.

Yours faithfully

Judith Doyle
