Subject: FW: Planning App Consultation for P/23/0065 [NOT PROTECTIVELY MARKED]

The application affects a legal right of way which must be protected at all times.

It also affects a number of other rights of way upon which the Inspector has made an interim decision that the rights of way exist. At present the Inspector is conducting a modification exercise which allows the public a further opportunity to make comment on the rights of way subject to the Inspector's interim decision. The period for comment on these rights of way is due to expire on 4th May 2023 after which the Inspector will proceed to a final decision. As and when a final decision is made I will update you.

The applicant should discuss all these rights of way with the rights of way department.

regards
Cheryl
