Merthyr Tydfil County Borough Council
Unit 5 Triangle Business Park
Pentrebach
CF48 4TQ

Dyddiad/Date: 10 July 2024

Annwyl Syr/Madam/Dear Sir/Madam,

BWRIAD/PROPOSAL: INSTALLATION OF PV SOLAR PANELS TO ROOF

LLEOLIAD/LOCATION: 97 HIGH STREET, MERTHYR TYDFIL

Thank you for consulting Cyfoeth Naturiol Cymru (CNC)/Natural Resources Wales (NRW) about the above, which we received on 09 July 2024.

We have no objection to the proposed development as submitted and provide the following advice.

Flood Risk

Our Flood Risk Map confirms the application site lies entirely within Zone C2 of the Development Advice Maps (DAM) as contained in Technical Advice Note (TAN) 15: Development and Flood Risk (2004). The Flood Map for Planning identifies the application site to be at risk of flooding and falls into Flood Zones 2 and 3 Rivers.

Given the nature of the proposed development we consider the proposals could be acceptable; we have no objection.

European Protected Species

We recommend you seek the advice of your in-house ecologist to determine if there is a reasonable likelihood of bats, a European Protected Species, being present within the application site. If so, in accordance with Technical Advice Note 5: Nature Conservation and Planning (paragraph 6.2.2) a bat survey may be required.

The survey should be carried out in accordance with 'Bat Surveys for Professional Ecologists; Good Practice Guidelines 4th Edition' published by the Bat Conservation Trust 2023.

Please consult us again if any survey undertaken finds that bats are present at the site, and you require further advice from us.

Other Matters

Our comments above only relate specifically to matters included on our checklist, *Development Planning Advisory Service: Consultation Topics* (September 2018), which is published on our [website](#). We have not considered potential effects on other matters and do not rule out the potential for the proposed development to affect other interests.

We advise the applicant that, in addition to planning permission, it is their responsibility to ensure they secure all other permits/consents/licences relevant to their development. Please refer to our [website](#) for further details.

Advice for the Developer

We refer the applicant/developer to our [website](#) for advice and guidance on flood risk. Additional guidance including the leaflet "Prepare your Property for flooding" can be found [here](#).

The developer can also access advice and information on protection from flooding from the ODPM publication 'Preparing for Floods: Interim Guidance for Improving the Flood Resistance of Domestic and Small Business Properties', can be found [here](#).

If you have any queries on the above, please do not hesitate to contact us.

Yn gywir / Yours faithfully

Annabelle Evans
