Annwyl Syr/Madam/Dear Sir/Madam,

BWRIAD/PROPOSAL: CHANGE OF USE OF GROUND FLOOR TO A RESIDENTIAL UNIT WITH ASSOCIATED EXTERNAL ALTERATIONS

LLEOLIAD/LOCATION: UNIT 2 (FORMER MOKTAR,) THREE SALMON STREET, MERTHYR TYDFIL, CF47 8DS

Thank you for consulting Cyfoeth Naturiol Cymru (CNC)/Natural Resources Wales (NRW) about the above, which we received on 09 June 2025.

We have no objection to the proposed development as submitted and provide the following advice.

The planning application proposes highly vulnerable development (residential). The Flood Map for Planning identifies the application site to be at risk of flooding and the western extent of the site clips Flood Zone 2 and 3 (Rivers).

Given the limited extent of flood risk shown to be affecting the application site (and in the absence of a flood consequences assessment), we consider the proposals could be acceptable, subject to the developer being made aware of the potential flood risks to these areas. We would also expect the developer to take the opportunity to incorporate flood resilient design where feasible.

Guidance on resilient design can be found in Chapter 13 of Technical Advice Note 15: Development, flooding and coastal erosion, dated 2025, which references advice from Construction Industry Research and Information Association, including a Code of Practice and Guidance for Property Flood Resilience.

We provide advice on our website [Natural Resources Wales / Preparing for a flood](#) which may be useful for the developer or occupant of the proposal.

Other Matters

Our comments above only relate specifically to matters included on our checklist, *Development Planning Advisory Service: Consultation Topics* (September 2018), which is

published on our [website](#). We have not considered potential effects on other matters and do not rule out the potential for the proposed development to affect other interests.

We advise the applicant that, in addition to planning permission, it is their responsibility to ensure they secure all other permits/consents/licences relevant to their development. Please refer to our [website](#) for further details.

If you have any queries about the above, please do not hesitate to contact us.

Yn gywir / Yours faithfully,

Sarah Lund
