Dear Sir/Madam,

Re: Renewal of outline planning permission P/16/0172 for the erection of a dwelling at Land within The Curtilage of Greenacres (Plot 4) Brondeg, Heolgerrig PLApp.No.: P/19/0259

Thank you for consulting us on this application; consequently we have reviewed the detailed information contained on your website.

Information in the Historic Environment Record, curated by this Trust, shows that the application area is situated within the Merthyr Tydfil Registered Historic Landscape (HLW (MGI) 2), specifically the Heolgerrig and Pen-yr-Heolgerrig Character Area (HLCA068), as defined within the *Register of Landscapes of Outstanding Historic Interest in Wales*. However, there are no archaeological sites located within the proposed development area.

The application is for the renewal of outline planning permission P/16/0172 and no previous archaeological conditions were recommended or attached to the consent. Our understanding of the archaeological resource of the area remains unchanged and consequently, we have no comment to make regarding the renewal of the application.

If you have any questions or require further advice on this matter please do not hesitate to contact us.

Yours faithfully,

Hannah Bowden BA MSc
Archaeological Planning Officer
