

'The proposed elevation drawings identify the proposed alterations and matters of restoration to the envelope, refer to the (25) series drawings. Both proposed and repair elevations should be read in conjunction. The architect should be consulted if there appears to be contradiction between the two'.

Existing concrete slab over steps landing to be broken up and removed. Existing steps and retaining wall to be left in place and to be backfilled with hardcore up to new ground level. Concrete slab between steps and boundary wall also to be broken up and removed, with earthen ground made good. Ground outside structures to be turfed. Ground inside structure to be left earthen, with localised concrete slabs for plant items. New structure to accommodate plant, air source heat pump and bat roost.

Proposed East Elevation
