Dear Miss Grant

RE: Discharge of condition 17 (Construction Management Plan) and 18 (Ecological Management Plan) of Planning Permission P/23/0131.

I write in regards to the above mentioned application, which includes a Construction Environment Management Plan (Revision 3 - received 19.02.2024) that cover a range of topic issues including the Ecological Management Plan.

Condition 17 & 18: Construction Environment Management Plan (CEMP)

The content of the CEMP has been reviewed and is deemed to be acceptable. Additionally, the Ecological Management Plan (EMP) contained within the CEMP has been considered by the Council's Ecologist and is considered to be acceptable.

Accordingly, the requirements of conditions 17 & 18 of planning permission P/23/0131 can now be discharged, subject to the works being completed in accordance with the approved details. I have enclosed an updated planning permission, which reflect this decision.

Yours sincerely

JUDITH JONES
