MERTHYR TYDFIL COUNTY BOROUGH COUNCIL as the Local Planning Authority hereby **REFUSE TO PERMIT** the proposed development for the following reasons, namely:

- 1 The proposal would result in an unjustified encroachment in the countryside contrary to Policy SW4 of the Merthyr Tydfil County Borough Council Replacement Local Development Plan. The proposed use of the land for domestic purposes would also result in an unwarranted visual intrusion, with the presence of domestic paraphernalia, which would be detrimental to the character and appearance of this rural area, contrary to Policy SW11 of the Merthyr Tydfil County Borough Council Replacement Local Development Plan.
- 2 The proposal would introduce highly vulnerable development within a C1 flood zone, as defined by Technical Advice Note (TAN) 15: Development and Flood Risk. Due to the risk of flooding and nature of development that is being proposed, the proposal represents inappropriate development contrary to paragraph 6.2 of TAN 15 and Policy EnW4 of the Merthyr Tydfil Council Replacement Local Development Plan.

NOTES

- (1) If the applicant is aggrieved by the decision of the Local Planning Authority to refuse permission for the proposed development, or to grant permission subject to conditions, he/she may appeal to The National Assembly for Wales in accordance with Section 78(i) of the Town and Country Planning Act 1990, within SIX MONTHS of the receipt of this Notice. (Appeals must be made on a form which is obtainable from The Planning Inspectorate, Crown Buildings, Cathays Park, Cardiff, CF10 3NQ). The National Assembly for Wales has the power to allow a longer period for the giving of notice of appeal but will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The National Assembly for Wales is not required to entertain an appeal if it appears to it that permission for the proposed development could not have been granted by the Local Planning Authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of the development order, and to any directions given under the order.
- (2) If permission to develop land is refused or granted subject to conditions, whether by the Local Planning Authority or by The National Assembly for Wales, and the owner of the land claims that the land has become incapable of reasonable beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he/she may serve on the Council in which the land is situated, a purchase notice requiring the Council to purchase his/her interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
- (3) In certain circumstances, a claim may be made against the Local Planning Authority for compensation, where permission is refused or granted subject to conditions by The National Assembly for Wales on appeal or on a reference of the application to it. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
