Dear Sir/Madam,

Bedlinog and Trelewis Community Council discussed planning application P/22/0303 at their Council meeting on 12/12/2022. Community Councillors raised a number of objections - there are concerns that the proposed plan is not innkeeping with the rural area and looks more like an industrial unit than traditional stable constructions. There are concerns that the proposed building will be used as a forerunner of an expansion of the applicants waste and skip hire business. Also, there have been a number of complaints already made to County councillors and the Council in respect of noise and light pollution, with heavy duty vehicles back and forth to the site after dark and into the early hours of the morning.

Bedlinog and Trelewis Community Council do not support this application.

Kind regards,

Ryan James
Clerk to the Council
