

 Indicates a Residual Risk for information

NOTE:

Blue Line - Outline Planning Application for Moniques Re-build

Red Line - Public Realm Full Planning
Application including, amended road and
footways.

The site shall include small areas remote from the main site, needed to undertake the works.

The site boundary is required to go 0.5m into High Street due to the requirement to join the new public realm paving onto the existing High Street paving.

The Site Boundary is required to encapsulate a large section of Masonic Street due to the road re-alignment, footway construction and re-surfacing works.

The Contractor is to ensure access through Masonic Street is maintained. Re-surfacing works to be undertaken at agreed out of hours time/date with all key stakeholders.
