Dear Miss Grant

RE: Discharge of condition 3 (Material Finishes) of planning permission P/23/0131 relating to a new school building.

I write in regards to the above mentioned application and the supporting information provided, which includes an External Materials Tracker document setting out the proposed material finishes for various elements of the development.

Condition 3: Material Finishes

The details of the proposed brickwork and cladding to be used across the development, as set out in the above mentioned document, is deemed to be acceptable. It is acknowledged that a selection of the brickwork and cladding samples were also inspected on site.

Accordingly, the requirements of conditions 3 of planning permission P/23/0131 can now be discharged, subject to the works being completed in accordance with the approved details. I have enclosed an updated planning permission, which reflect this decision.

Yours sincerely

JUDITH JONES
