In accordance with DW172 regulations please observe the following: A 300mm overhang should be allowed to the left and right of all your cooking appliances. You should also allow a 300mm overhang to the front of all your cooking appliances where a combi oven is not in use. The overall size should therefore be the equipment size plus the overhang

Proposed type of extraction system at
Bryn stores, Bryn Street, Twynrodyn,
Merthyr Tydfil, CF47 0TG
