5th June 2023

FAO: Marlene Ferreira

Dear Sir

Re: Remove existing signage to front and rear elevations. Remove existing night safe and ATM on the front elevation and infill openings with granite to match existing. Remove glazing of 1 window on the front elevation and replace with new. Remove internal counters, internal partition walls, internal glazed partition walls and all furniture:
47 High Street, Merthyr Tydfil.
Pl.App.No.: P/22/0063.

Thank you for consulting us about this application; consequently we have reviewed the detailed information contained on your website.

The information in the Historic Environment Record curated by this Trust shows the property to be a Grade II Listed Building (Cadw reference 11437). The listing description states it is *Monumental classical early C20 frontage of 2 storeys and 5 bays*. It is within the Merthyr Tydfil Registered Historic Landscape of Outstanding Historic Interest, in Character Area HLCA001: Merthyr Tydfil Historic and Commercial Core, summarised as: *Pre- and early industrial settlement core with later expanded industrial settlement: pre-industrial religious, commercial and administrative centre developed during the post-medieval and industrial period; post-medieval, 19th and 20th century religious, commercial, administrative and other buildings; historic events and associations; industrial transport corridor.*

We note from the supporting Heritage Statement that the works affect modern internal features which are not original, and will not affect the original parts of the building.

As the archaeological advisors to your Members, we have no objections to the positive determination of this application. The record is not definitive, however, and features may be disturbed during the course of the work. In this event, please contact this division of the Trust.

If you have any questions or require further advice on this matter please do not hesitate to contact us.

Yours faithfully

Judith Doyle
