- **Certificate A cannot be issued for this application**
- **All reasonable steps have been taken to find out the names and addresses of everyone else who, on the day 21 days before the date of this application, was the owner (owner is a person with a freehold interest or leasehold interest with at least seven years left to run) of any part of the land to which this application relates, but I have/the applicant has been unable to do so.**

The steps taken were:

On 02/09/2022 I asked a solicitor Clive Pearson - RJM Solicitors to make contact with Merthyr Tydfil Highways with regards to ownership, responsibility and accountability of poorly maintained, dangerous, uneven, multi level strip of concrete to the side of 35 St Tydfils Avenue before I purchased the property.

The response from Martyn Tanner (Highways MTCBC) as follows are his words in email: The limit of the highway maintainable at public expense would be the back edge of the kerb that runs parallel to the side of the property. The plant pots nor the concrete hardstanding are maintained by the Highway Authority. Please see attached for reference (note that the highway limit indicated by the red line continues along the back edge of the kerb).

Multple emails and photographs from Mr Martyn Tanner and my solicitor were exchanged with regards to seeking ownership for the reasons mentioned above.

Notice of the application has been published in the following newspaper (circulating in the area where the land is situated)
