

BIRD BOX DETAILS

This document details the 4 no. bird boxes and 2 no. bat boxes to be located on the YMCA site as a requirement of planning condition no. 7 related to the planning consent, reference P/20/0219. Please see the details of each bird/bat box product below, their locations being marked on the site plan at the end of the document:

Bird Box 1: A typical image of a general garden bird box, 2 no. to be installed on site.

Bird Box 2: A typical image of a sparrow terrace bird box, 1 no. to be installed on site.

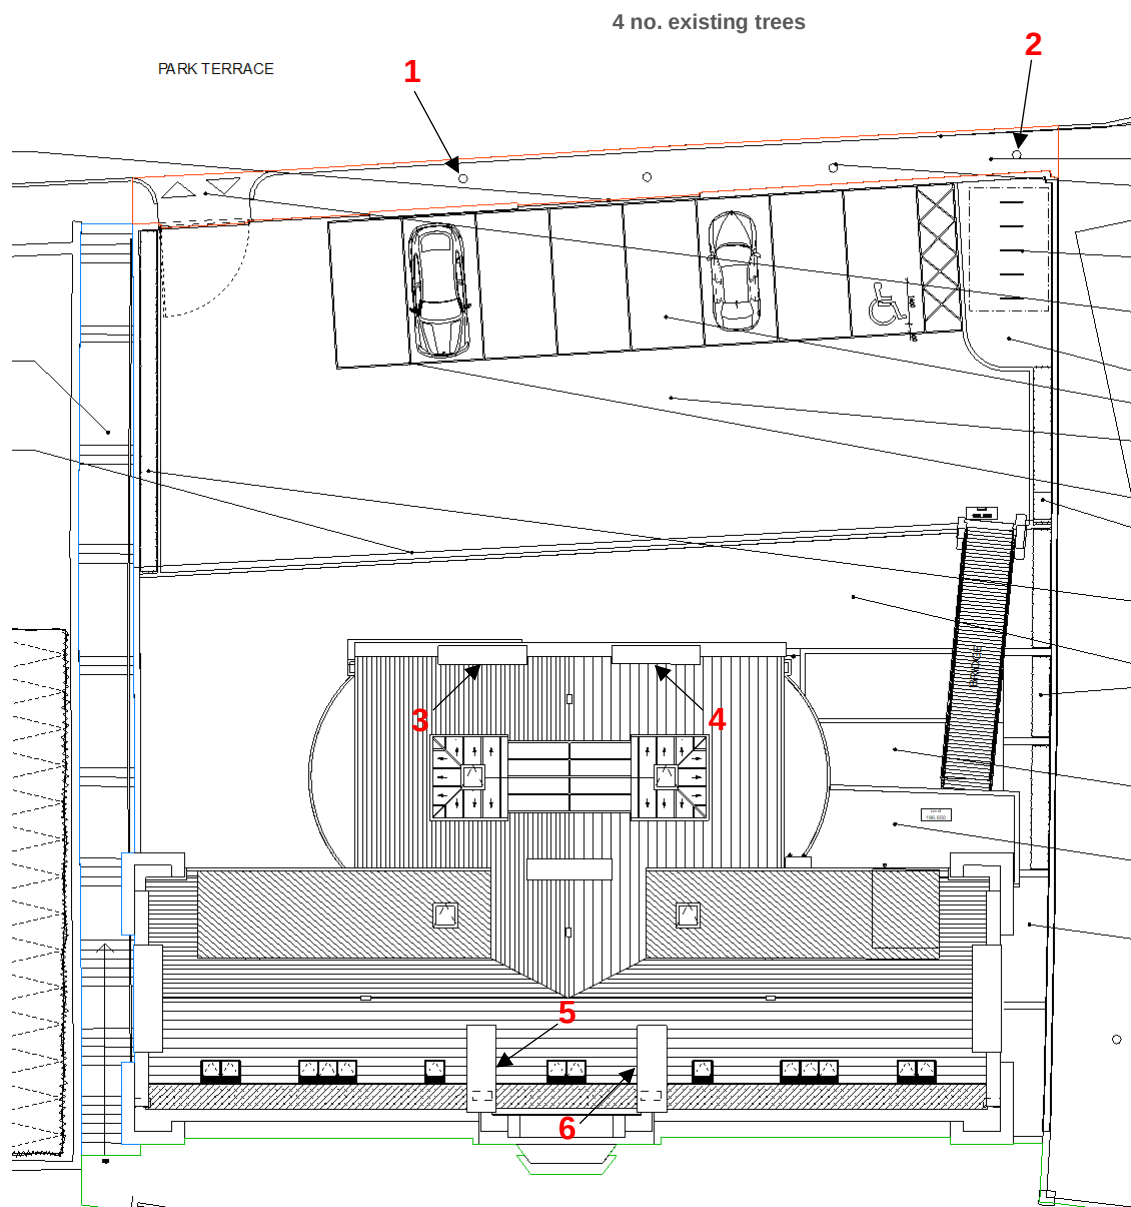

Bird Box 3: A typical image of a 1B Schwegler nest box, 1 no. to be installed on site.

Bat Box 1: A typical image of a 2F Schwegler bat box, 1 no. to be installed on site.

Bat Box 2: A typical image of a 1FF Schwegler bat box, 1 no. to be installed on site.

Plan not to scale

The intention is to integrate 4 of the bird/bat boxes within the new chimneys that are to be rebuilt, this allowing the boxes to be hidden from view. The remaining 2 boxes can be fixed to two of the existing trees on site.
