Good afternoon,

Thanks for the information.

The proposal is fully supported by the Strategic Housing Section.

The proposed scheme is in line with our strategic aims of providing suitable accommodation in line with local need, aids in meeting our statutory duties and assists the housing section plan for the short and longer term to meet the significant challenges faced by the service.

The new development will assist the Authority in delivering on the actions contained within the Merthyr Tydfil County Borough Council Rapid Rehousing Transition Plan and is in line with WG guidance to provide the right home and right support at the right time to those who need it.

Cofion / Kind regards
