Subject: Planning Application - Plot 5, Pengarnddu Ind Est (P/26/0155)

Hello Kate,

I've reviewed the Air Quality assessment associated with the application and I don't have any concerns regarding the public health impact (specifically relating to human health).

Other suggested conditions include:

1. Demolition or construction works shall not take place outside the hours of 08:00 to 18:00 Mondays to Fridays and 09:00 to 13:00 on Saturdays and at no time on Sundays or Public Holidays.

Reason: In the interests of local amenity and to avoid statutory nuisance.

2. All reasonable precautions shall be taken to reduce the impact of dust. Effective dust control measures, such as 'damping down' following cutting or other dusty operations shall be employed at all times.

Reason: In the interests of local amenity and to avoid statutory nuisance.

3. Waste generated on site should be disposed of in suitable manor and not burnt.

Reason: In the interests of local amenity and to avoid statutory nuisance

Kind regards
