Does your proposal involve the construction of a new building which would result in the loss or gain of public open space?

☐ Yes

☒ No

Description of the Proposal

Description

Please describe the proposed development including any change of use

The application is Sui Generis and consists of :-

Conversion Of The Property To An Artists Studio (B1 use class) And Short Term Holiday Let (C6 use Class)

In 2020 we applied for Sui Generis classification as we had dual purpose and stated so in the application – art studios and additionally short term holiday let during quiet periods to support the artist studios. We were awarded FULL APPROVAL and given B1 classification on 17 September 2020 and understood this to be sufficient and went ahead and build the art gallery, etc. Nevertheless recent changes under The Town and Country Planning, (Use Classes) (Amendment) (Wales) Order 2022, which came into force on the 20th October 2022, short term holiday lets now requires a separate C6 use class and thus wish to extend our application to Artist Studios (B1 use class) and Short Term Holiday Let (C6 use Class). It is important that this an either/or use class where the facility is used either as B1 or C6, but not together so there will be no additional usage, traffic consideration, environmental impact, etc. Four additional small windows are being installed after consultation with Building Control.
