Site Area

What is the site area?

250.10

Scale

Sq. metres

Does your proposal involve the construction of a new building which would result in the loss or gain of public open space?

☐ Yes

☒ No

Description of the Proposal

Description

Please describe the proposed development including any change of use

The current use of the building is as a 19 room HMO which was granted permission in 1984 although the license has since expired and the property has been vacant for several years. The proposal is to convert the existing garage space into additional rooms as well as a communal kitchen and living space with bike storage. As part of this conversion the existing garage roof will be replaced with a modern flat roof and there will be alterations to the fenestration. The project also involves internal alterations to bring the property up to the modern HMO regulations. The property will remain as a 19 room HMO as per the plans.

Has the work or change of use already started?

☐ Yes

☒ No

Existing Use

The use of the property as a HMO and the conversion of the garage and workshop is suitable in principle and may also been acceptable in terms of parking, highway safety, visual and residential amenity (subject to consideration of the fenestration design and positioning). However, the views of the Environmental Health Manager and any representations received following the publicity exercise will be important material planning considerations.

Please see document PA220049 - 68-70 Brecon Road (003) for full details
