The profile view shows a road section with the following features and data:

- Vertical Axis (Elevations):** Ranges from 265,000 to 273,000.
- Horizontal Axis (Offsets):** Ranges from 0.000 to 40.000.
- Key Features:**
 - RIDGE:** Located at approximately offset 10.000.
 - Outbuilding:** Located between offsets 25.000 and 30.000.
 - Lane:** Located at the end of the section, around offset 40.000.
- Data Series:**
 - Survey - Levels:** Shows the existing ground level profile.
 - Survey - Offsets:** Shows the horizontal distance from the datum to the profile points.
 - Regular Offsets:** Shows the vertical offsets from the datum to the profile points.

Site Layout
Scale 1" = 20'

1

The site layout plan shows the proposed development at 11 Mansfield Terrace. The building footprint is outlined in red. The plan includes a north arrow pointing upwards, a scale bar indicating 1:500, and a table of coordinates. The plan also shows the surrounding context, including the existing building at 11 Mansfield Terrace, the proposed access, and the surrounding streets and boundaries.
