

MERTHYR TYDFIL COUNTY BOROUGH COUNCIL

TOWN AND COUNTRY PLANNING ACT 1990 (as amended)
The Town and Country Planning (Development Management Procedure)
(Wales) Order 2012 (as amended)

FULL PLANNING PERMISSION

To: Mr Chris Jones c/o Mr Paulo Santos Blaenau Gwent County Borough Council Community
Services Floor 1 Municipal Offices Civic Centre

WHEREAS you submitted an application on the 11th October 2021 to develop: Dowlais Primary School
High Street Caeharris Merthyr Tydfil CF48 3HB short particulars of the application being as follows:-

Name of the Applicant

Mr Chris Jones
MTCBC
Civic Centre
Castle Street
Merthyr Tydfil

Description of Proposed Development

Proposed single storey building to accommodate day care
facilities with associated new footpath, landscaping and
play area (Full)

The Council in pursuance of its powers under the above mentioned Act and Order hereby **GRANTS PERMISSION** for the carrying out of the proposed development as described above and in accordance with the application and plans (if any) submitted with the application subject to compliance with the following conditions.

CONDITIONS

Please see attached.

Date: 25th November 2021

Signed:

(Director of Neighbourhood Services)

**IT IS IMPORTANT THAT YOU READ
THE NOTES ATTACHED TO THIS FORM**

CONDITIONS

- 1 The development shall begin not later than five years from the date of this decision.

Reason - To comply with Section 91 of the Town and Country Planning Act 1990.

- 2 The development shall be carried out in accordance with the following approved plans and documents:

Drawing no. TS1428 PA-01 received on 11.10.21

Drawing no. TS1428 PA-02 received on 11.10.21

Drawing no. TS1428 PA-03 B received on 24.11.21

Drawing no. TS1428 PA-04 received on 11.10.21

Drawing no. TS1428 PA-05 received on 11.10.21

Drawing no. TS1428 PA-06 received on 11.10.21

Drawing no. TS1428 PA-07 received on 11.10.21

Drawing no. TS1428 PA-08 received on 11.10.21

Landscape Management and Maintenance Plan Rev B received on 24.11.21

Geo-Environmental and Geotechnical Report received on 11.10.21

Ecological Report received on 02.11.21

Arboricultural Implications Assessment and Method Statement received on 11.10.2021

Reason -To ensure compliance with the approved plans and clearly define the scope of the permission.

- 3 Prior to the construction of the nursery/daycare building hereby approved details and/or samples (including colour) of the materials to be used in the construction of the external surfaces of the building and canopies shall be submitted to and approved in writing by the local planning authority. Development shall be carried out in accordance with the approved details.

Reason - To ensure that the external appearance of the proposed development will be in keeping with the character of the area and adjoining buildings in the interests of visual amenity and to accord with Policy SW11 of the Merthyr Tydfil County Borough Council Replacement Local Development Plan.

Condition 3 Discharged on 01.07.2022 - App.No. P/22/0164.

- 4 No surface water and/or land drainage shall be allowed to connect directly or indirectly with the public sewerage network.

Reason - To prevent hydraulic overloading of the public sewerage system, to protect the health and safety of existing residents and ensure no pollution of or detriment to the environment.

- 5 **No development shall take place** until details, including structural calculations and facing materials, of any retaining wall which exceeds 1 metre in height have been submitted to and approved in writing by the Local Planning Authority. The walls shall be completed in accordance with the approved details before the development hereby approved is brought into beneficial use.

Reason - In the interest of safety and visual amenity in accordance with Policy SW11 of the Merthyr Tydfil County Borough Council Replacement Local Development Plan .

- 6 All planting, seeding or turfing comprised in the approved details of landscaping (Drawing No. TS1428 PA-03 B) shall be carried out in the first planting and seeding seasons following the occupation of the building or the completion of the development, whichever is the sooner; and any trees or plants which within a period of 5 years from the completion of the development die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species.

Reason - In the interests of Biodiversity and to ensure that the new development will be visually attractive in the interests of amenity and to accord with Policies EnW1 and SW11 of the Merthyr Tydfil County Borough Council Replacement Local Development Plan.

INFORMATIVES

1. The developer is advised to contact Merthyr Tydfil County Borough Council's Highway Division regarding any works affecting the adopted footway/highway **BEFORE** construction works commence. This approval is independent of any planning approval.
2. The developer's attention is drawn to the comments and advice received from Welsh Water during the application process.

The developer may need to apply to Welsh Water for any connection to the public sewer under S106 of the Water Industry Act 1991.

Some public sewers and lateral drains may not be recorded on Welsh Waters maps because they were originally privately owned and were transferred into public ownership by nature of the Water Industry (Schemes for Adoption of Private Sewers) Regulations 2011. The presence of such assets may affect the proposal. The applicant is advised to contact Welsh Water on 0800 917 2652 to establish the location and status of the sewer. Under the Water Industry Act 1991 Dwr Cymru Welsh Water has rights of access to its apparatus at all times.

3. The developer shall obtain all other necessary consents **BEFORE** works commence including BUILDING REGULATION approval.
4. This planning permission does not provide consent to undertake works that require a European Protected Species (EPS) licence.
All bats and their roosts are protected under UK and European legislation. It is an offence to deliberately kill, injure, capture or disturb a bat or to recklessly damage or destroy their breeding sites or resting places.

If works are planned on a building/tree in which bats are found to be roosting, Natural Resources Wales (NRW) must be contacted. on 0300 065 3000 or at <https://naturalresources.wales/permits-and-permissions/species-licensing/apply-for-a-protected-species-licence/bat-licences/?lang=en>.

If work has already commenced and bats are found, or if any evidence that bats are using the site as a roost is found, work should cease and NRW should be contacted immediately.

Under these circumstances, an EPS licence is likely to be required to undertake the works within the law.

5. All birds, their nests and eggs are protected by law under the Wildlife and Countryside Act 1981 (as amended) while they are breeding.

If works to any trees, hedgerows and/or other nesting bird habitat (including buildings with suitable features) are to be undertaken, they will take place outside of the bird nesting season. If the works must be undertaken during the nesting season (generally from 1st March until 31st August, although birds are known to nest outside of these dates in suitable conditions), a breeding bird survey will be required and must be carried out by a suitably qualified ecologist. Any active nests identified will be protected until the young have fledged.

Where a Schedule 1 species (as defined in the Wildlife and Countryside Act - <https://www.legislation.gov.uk/ukpga/1981/69/schedule/1> is involved, compensation for impacts, e.g., loss of nesting sites, will be devised and implemented.

6. During all excavation works a watching brief should be maintained for unrecorded mine entries, or other coal mining anomalies, and action taken as appropriate. If any coal mining features are unexpectedly

encountered during development, work should be ceased and this should be reported immediately to the Coal Authority on 0345 762 6848. Further information is available on the Coal Authority website at: www.gov.uk/coalauthority

7. The applicants/developers attention is drawn to the comments of the Authority's Environmental Health Section regarding the potential problem to neighbouring properties arising from the creation of noise and dust during the construction process. To avoid unexpected and unnecessary enforcement action by the Public Health and Protection department, the applicants/developers are advised to contact the Environmental Health Section prior to the commencement of development to agree an appropriate method of noise and dust suppression.

The developer must ensure that all waste arising from the site is disposed of at a site licensed for its reception. Under no circumstances shall waste be burnt on site.

NOTES

Your attention is drawn to the following:-

Appeals to the Planning & Environment Decisions Wales:

- If you are aggrieved by the decision of the Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Planning & Environment Decisions Wales under Section 78 of the Town and Country Planning Act 1990 (as amended).
- If you want to appeal, then you must do so within **six months** of the date of this notice, using a form which you can get from Planning & Environment Decisions Wales, Crown Buildings, Cathays Park, Cardiff, CF10 3NQ. Alternatively you can use Planning & Environment Decisions Wales website (www.gov.wales/planningappeal) to complete your appeal.
- The Planning & Environment Decisions Wales can allow a longer period of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Planning & Environment Decisions Wales need not consider an appeal if it seems that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any Development Order and to any directions given under a Development Order.
- In practice, the Planning & Environment Decisions Wales does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by them.

Purchase Notices:

- If either the Local Planning Authority or Planning & Environment Decisions Wales refuses permission to develop land or grants it subject to conditions, the owner may claim that he/she can neither put the land to a reasonable beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a Purchase Notice on the Council. This notice will require the Council to purchase his/her interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990 (as amended).

PLEASE NOTE: THIS NOTICE RELATES ONLY TO A PLANNING DECISION AND DOES NOT RELATE TO OTHER LEGISLATION INCLUDING ANY LEGISLATION UNDER:

BUILDING REGULATIONS
LISTED BUILDING LEGISLATION
HIGHWAY LEGISLATION

IF PLANNING PERMISSION HAS BEEN GRANTED IT IS ADVISABLE TO ESTABLISH WHETHER ANY OTHER FORM OF CONSENT IS REQUIRED AND TO OBTAIN SUCH CONSENT BEFORE COMMENCING DEVELOPMENT

Please quote the application number in all correspondence.
