

The map shows a residential area with several streets and building footprints. A specific site is highlighted in red, located between Mary Street and a dashed line. The site is bounded by Mary Street to the east and a dashed line to the west. The map includes building footprints, street names, and elevation markers.

Streets and Features:

- MARY STREET**: A street running diagonally from the bottom right towards the top right.
- 293.2m**: An elevation marker with a cross symbol, located in the upper left area.
- 295.0m**: An elevation marker with a cross symbol, located in the lower right area.
- Building Footprints**: Various rectangular shapes representing buildings, some labeled with numbers like 13, 14, 15, 12, and 20.
- Dashed Lines**: Lines indicating boundaries or specific areas of interest.
