Dear Mr Morgan

RE: Discharge of condition 16 (Construction Environment Management Plan) of planning permission P/21/0358.

I write in regards to the above mentioned application and the supporting information provided, which includes an updated Construction Environment Management Plan (CEMP), received 23.02.2023.

Condition 16:

The Engineering Officer and Environmental Health Officer have reviewed CEMP and are satisfied with the contents of the report and the measures that would be put in place to minimise disruption and environmental impacts in area.

Accordingly, the requirements of condition 16 of planning permission P/21/0358 can now be discharged, subject to the works being completed in accordance with the approved details. I have enclosed an updated planning permission, which reflect this decision.

Yours sincerely

JUDITH JONES
