Tit Box	https://www.wildcare.co.uk/vivara-pro-woodstone-oval-nest-box.html		Magenta

Comment

Appendix E has been updated with an extra page containing the specifications as requested.

Documents 2

Document Acceptable

Documents 3

26-01-05 rev 4 added to the documents as requested

Documents 7 and 8 (26-01-14 rev 2 and 26-01-15 rev 2) both show 9 trees on each

25 Year duration changed to lifetime

Documents 4

Document acceptable

Documents 5

Document amended for working in daylight hours as requested

Documents 6

Document Acceptable

Documents 7

No, this would be impractical and pose a health and safety and security risk with a family home. The lighting already uses a PIR with less than one minute timer and is below 2.4m in height and has reduced lumens as you have requested.

Documents 8

We are happy for a post build inspection

Documents 9 & 10

Acceptable
