Hi Huw

Thanks for the call earlier.

In providing comments to the Taff and Crescent Street consultation we had overlooked the fact it was an application for prior notification of proposed demolition, rather than a planning application. We appreciate that the demolition consent can't include planning conditions. In this instance we are satisfied that our concerns regarding European Protected Species (EPS) can be addressed through an EPS licence.

Please can you also ensure that there is an informative about access to the NRW kiosk, as it is vital that we have access to the kiosk at all times.

Thanks

Gemma
