**RE: APPLICATION TO DISCHARGE CONDITION 1 (GREASE TRAP DETAILS) OF
PLANNING PERMISSION P/13/0296 AT 90 HIGH STREET, CAEHARRIS, DOWLAIS.**

I refer to the above application and the following condition, which states:

1. Before works commence, details of a system to prevent waste cooking oil, fats and grease and solid waste from entering the foul drainage system shall be submitted to and approved in writing by the Local Planning Authority. The approved scheme shall be implemented before the use of the premises commences and then shall operate in perpetuity unless otherwise agreed in writing by the Local Planning Authority.

Reason - To protect the integrity of the public sewerage system, and sustain an essential and effective service to residents.

I can confirm that the information submitted with your application, specifically details of the grease trap installation and service instructions, including photographs to show that it has already been fitted at the premises, received on the 4th March 2024 is acceptable. As such, condition 1 can be discharged.

Please note that condition 1 is discharged in so far as it relates to the submission of details, and will of course, only be fully discharged, on the basis that the works have been completed on-site in accordance with the approved details.

Merthyr Tudful
... lle i fod yn falch ohono

Merthyr Tydfil
... a place to be proud of

I have enclosed an updated planning permission (P/13/0296/a) which reflects this decision.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'J Jones', written on a light-colored background.

MISS J JONES
