

A photograph of a small outdoor space, likely a backyard or patio. The main feature is a white-painted brick wall that runs across the middle of the frame. To the left of the wall is a plain white wall. To the right is a low stone wall with a small white statue of a dog or cat sitting on top. In the foreground, there is a paved area made of dark grey rectangular stones. Behind the white brick wall, there are some green plants and a glimpse of a neighboring house with a blue roof. The word "Sauna" is written in large black letters across the center of the white brick wall.
