**Re:- Proposed conversion of a barn to residential use
Bryn Rhedyn Farm, Bedlinog, Treharris, Merthyr Tydfil CF46 6UF**

Hi

Thank you for reviewing the plans just a bit of a background to the clients the annex would be ansiliary and not to be sold off separately.

The idea of annex is for relatives to visit due to the remote location they would like them to stay a night or two.

Thanks

Chris George
