Dear Sir

Re: New access gate

Pandy Farm, Brecon Road, Merthyr Tydfil, CF47 8PA

Pl.App.No.: P/22/0089

Thank you for consulting us about this application; consequently we have reviewed the detailed information contained on your website.

The information in the Historic Environment Record curated by this Trust indicates that the Barn is a Grade II Listed Building (Cadw ref. 11406), probably dating to soon after 1825, with later alterations and additions. It is a rubble-built barn flanking Brecon Road; dressed quoins, brick to oculus, ventilation slits and loft openings in the gables. There is a pointed arched wagon entrance with projecting brick frame offset to right and a modern tiled roof.

However the current proposal is for a replacement access gate and therefore it is unlikely that significant archaeological remains will be encountered during the course of the proposal.

As a result, there is unlikely to be an archaeological restraint to this proposed development and consequently, as the archaeological advisors to your Members, we have no objections to the positive determination of this application. The record is not definitive, however, and features may be disturbed during the course of the work. In this event, please contact this division of the Trust.

If you have any questions or require further advice on this matter please do not hesitate to contact us.

Yours faithfully

R. Dunning
